

Once Upon a Time JWs Tracked UN Development as Prophecy Properly

1914 JW Ministerial Foundation (1914-1970) Identifies World Rulership Issue in Dual Kingdom Completions - 8th Kingdom and Messianic Kingdom

The 1990 UN NGO Ministerial Diversion and the Final Apostasy Now Operating at Bethel and What Used to Make Jehovah's Witnesses' Prophecy Tracking Unique at One Time

A Unique Biblical Structure of Prophecy and It's World Power History as One

1. A feature of the earlier Jehovah's witnesses' Christian development of prophetic understanding that is unique and important is it's structured Kingdom of God theme. That affirmable framework is backed by a historical sovereign progression outlined in prophecy across the Bible from Genesis to Revelation. That Bible teaching ministry of Jehovah's witnesses explained formerly unfulfilled prophetic portions in modern terms of that time from 1914 to 1919 (League of Nations meaning of Revelation 13:11-15) and after for a period.

2. This reliable structure of prophetic explanation across time and Genesis national histories (Gen10-11), to the prophecies of God's prophets to follow in this continuum, contained valid explanations of the divinely transmitted hidden symbologies. This reliable sovereign structure was the overall basis of the truth framework to unfold progressively as centuries turned to millenniums and things culminated in the League of Nations form of globalist world government "image".

A. Tracing the Genesis 3:15 "seed" arrival of who came to be known as Jesus Christ as the agent of the restoration of the lost blessing (Gen1:26-28; Gen12:3; 22:17-18) turned to death curse in the Edenic sin (Gen3:14-17) also weaved through the national histories. This provided a Kingdom of God progressive development to also be trackable that paralleled the rival national sovereign system leading to a globalized forum of world government in the 8th King League of Nations signal manifestation.

B. Thus the whole comprehensive sovereign progression of the 8th King world government system and the Kingdom of God Messianic Kingdom agency became solidly identified by Jehovah's witnesses. This was a ministerially revealed significant global signal of the also very real trajectory to global Armageddon where these two eventually completed kingdoms would meet for sovereign resolution over now reliably mapped prophecy.

3. Ancient Israel's interaction with Egypt, Assyria, Babylon, Medo-Persia, Greece and Rome and the Christian era interaction with Rome, and the Anglo-American national alliance as marked world powers became the context of the developing "seven headed" structure of Revelation's wildbeasts. (Rev13:1; Rev17:3, 12-18). This sovereign seven headed wildbeast was to end up as a globalized 8th King "scarlet wildbeast" world government totality in time, based on it's "image" "of the wildbeast" developmental representation.

A. Thus this prophetic structure was revived from the dead past as Christendom's various prophecy dead-ends were brought to life as relevant to the modern times from which context Jehovah's witnesses formed and would continue to explain continuously to conclusion like no other religion on earth.

4. Now that required continuum of prophecy of what became world history consistently had a modern historical set of benchmarks anyone could use to see prophecy manifest after it fulfilled in the key events. One could logically understand the national-to-globalist progression would continue past the national powers, and beyond the UN "image", to a Revelation 16:13-16 consolidated globalization "world government" in time, in that worldwide final "gathering" to Har-Magedon culminating.

Now the world government attempt of King Nimrod and his Babel and Nineveh city complex (Gen10:8-12) governmental center and it's "tower of Babel" (Gen11:1-9) religious priesthood is connected to the modern 8th King globalization of world government and the final attempt at another world government completion upon the same defiant theme in the near future. (Zecp3:8-9; Rev17:12-18; Rev16:12-16); Both of these human world government attempts will have triggered a divine intervention in the end.

Bible Prophecy Becomes Modern Reality

1. This JW ministry thus provided understanding of the Bible prophetic truth in world history *and* spiritual continual timelines with real meanings and parallels in a structured cohesiveness that ties the whole Bible together from cover to cover.

A. This prophetic exposition upon modern events and information connects prophecy to a dynamic world power progression that is continuing in further United Nations developments that must in time have the foretold global sovereign climax at Armageddon between the completed 8th King and the completed Messianic Kingdom diametric world governments. (Rev17:11-18 + Dan11:42-45 = Rev16:12-19 Armageddon final sequence);

2. No other "religion" on earth explained that final guaranteed sovereign confrontation as not only a real trajectory marked by modern world events, but as also mapped in the Bible over world *and* spiritual developments concurrent and continuous in world history and modern history since 1914's World War 1 event.

A. That that sovereign resolution would take place on earth was made emphatically clear by Jehovah's witnesses. (Matt6:10);

3. The true sovereign implication and meaning was explained in the League of Nations world government foundational global presentation that arose in 1919 with the Messianic Kingdom birth announcement of 1914-1918 to develop in time in clearer details, from the same period and concurrent events of that significant time in world *and* spiritual history.

No other Christian group made such a valid ministerially globally promoted explanation connected to modern world events proven to be fulfilling key sovereign prophecy in continuous trajectory to Armageddon.

4. That prophetic timeline as a sovereign structure proving that all prophecy is to eventually become world history combined with also the unique personal identification of Jehovah Almighty God (Ps83:18) and His

Son Jesus Christ (John17:3), which then focused attention on their actual personal unique role in their unified purpose of Kingdom rulership of planet Earth; (Gen1:26-28; Matt6:10);

5. The guaranteed Messianic Kingdom universal rulership becomes far more real and solidly defended due to these explanations that no other religious group was or has given but Jehovah's Witnesses. The truth of that Kingdom's sovereign conquest to come (Dan2:31-45; Rev19:19-21) became very real to Christian Jehovah's witnesses (JW) and others positively affected by them as it was all backed by real world events fulfilling prophecy in striking ways since 1914.

Faith Aided By Histories of Prophetic Fulfillments

1. Faith was given a foundation in historical facts of progressive prophecy fulfilling and describing world events coming true that could not remain static in signaling God's Kingdom coming to Earth to resolve the issue of the sin in Eden and it's sovereign rebellion now spread to all the nations worldwide. (2Pet1:19-21);

A. Early Jehovah's witnesses named names, explained prophecy in historical meanings as well as in up-to-date modern world events up until around 1970, and proved the Messianic Kingdom manifestation would parallel a world rival 8th King development as a parallel progression to settle the earthly sovereign issue permanently at Har-Magedon.

2. The progression of *national* power from the days of Babel (Gen11) and Egypt (Exodus), across Daniel 2,7-8,11 sovereign bridges to Revelation 13 and 17 modern times, to the final globalized world power unification to come under the Revelation 8th King was solidly laid out for people to understand by faith aided by known history.

A. That 8th King "world government" was being previewed in his "United Nations" (UN) "image", and was becoming very real in development at one time to Jehovah's witnesses as the early JW ministry progressed and deepened in world sovereign meaning along with UN developmental evidence and progress from 1919 to 1945 in the first two UN "disgusting thing" "placements". (Rev13:11-15; Dan12:11; Rev17:8-11);

It became clear the 8th King and Messianic Kingdom "world governments" develop to completion side by side all the way to Armageddon. (Dan11:36); Paying attention to these developmental signals would aid understanding of the arrival of the actual Armageddon final world developments and it's final prophetic sequence describing it all in needed detail. (Dan12; Rev8-11; Rev15-16; Rev14, 19);

Two Kingdom Rivals Plainly Identified for Earth's Rulership Finality

1. In that defendable prophetic structured framework identifying Bible timelines connected to world developmental timelines of both the Messianic Kingdom and the 8th King maturing development, people since 1914 could watch prophecy become world government foundational history before their very eyes. That was all solidly backed by historical proof of a dual world government development that must also complete to climax and become a complete world history foretold by more prophecy to fulfill after 1945. (Dan11:27-45; Dan8:9-25);

2. It was no coincidence that God's Messianic Kingdom of Christ "birth" was concurrently proclaimed leading to the League of Nations globalist world governmental "image" "birth" proclamation as well in that 1914-1919 period. In short time Jehovah's witnesses (first as IBSA) fully explained Revelation 13:11-15 as that first League of Nations manifestation after the World War 1 (WW1) "sword-stroke" of the Revelation 13 prophetic context as also a clear world development of unique world war. That paralleled the first UN related

"disgusting thing" placement of Daniel 12:11 initial fulfillment in 1919 parallel League of Nations meaning;

Jehovah's Witnesses Were Tracking and Explaining Prophecy Live and Real-Time

1. Into such a Bible truth framework foundation, across a now progressively explained irreversible sovereign continuum from Genesis to Revelation 22, all prophetic details of the prophets including Jesus Christ now fell into proper place in a defensible structured framework of both history and prophecy.

A. And the sovereign rival birth of the League of Nations also progressed to its post World War 2 (WW2) United Nations (UN) manifestation in 1945 fulfilling more sovereign 8th King prophecy as Revelation 17:8-11. The importance of this reliable foundational reference structure is the ability to cross relate other prophecy and event sequences with means of cross verification in the Bible itself as well as significant world histories.

2. Jehovah's witnesses were also exposing all the core elements of Babel religious influence of error aiding rival 8th King world government development (Gen11) and cover up by confusion, diversion and misinterpretation.

3. The world system's political and social error dividing nations for eventual 8th King conquest (Dan11:36-45; Rev17:11-18; 16:12-16) was also being fully explained by Jehovah's witnesses up to that time. Accordingly it was the truly most informative Christian ministry of all time in a context of supporting developmental world signals fulfilling prophecy beyond mere coincidence in its timely concurrence of multiple significant events.

Very Important: Jehovah's Witnesses were now tracking BOTH of the first two United Nations manifestations as prophecy fulfilling to and for some time after 1945.

No other Christian group of that era or after made this expose' of Revelation and Daniel prophecy as the League of Nations (1919; Rev13:11-15) to United Nations (1945; Rev17:8-11) designate "world government" continuum as highly significant world event meaning that fulfilled key prophecy as the core rival 8th King world government system opposing the Messianic Kingdom earthly rulership in God's King Christ divine designate to arrive upon their dual completion at Armageddon's culmination.

United Nations Shown to be Progressive Over Time to Completion of World Government

1. Everything was now being given even more proof of prophecy as significant world events in the world national powers' progression to *aglobalizing* 8th King unification. This eventual 8th King world government completing meaning reflected in the global "United" Nations international forum as the "image" was being shown logically and prophetically to progress even further to its complete world government rulership "scarlet wildbeast" objective. That 8th King world government totality would thus be completing upon that existent UN "nucleus" and "image" "of the wildbeast".

2. Though the United Nations is just an "image" of world government, as a "picture" of the 8th King world government not yet complete but in the making, the trajectory of its clear development to that completion to come, as prophecy and ongoing globalist world developments, was now solidly demonstrated in its first two UN developmental world presentations.

Repeating World War-to-World Government Formula Recognizable

1. The 8th King formulaic use of world war "tribulation" was also being seen as the primary form of "desolation" the "disgusting thing *that causes* desolation" was using to present it's world governmental forum in developmental progress.
2. After these two world wars were resolved, now two times after WW1 and WW2 peace resolutions, a respective UN related world government themed presentation and world "peace" objective statement took place as the world war finale development.
3. Now the world war "problem" clearly led to the globalizing elite world government "solution" as also a process being beyond mere coincidence - twice up to that time.

That 8th King principle of presenting world government renditions formulaically through an engineered world war context and it's "world peace" resolution is also important to understand, and it repeated again, after the Cold War WW3 and it's world peace resolution into the 3rd UN presentation of 1990. (Dan11:29-31); Now three times a form of world war resolved led to an updated UN manifestation.

Important World Power Principles Implied

(1) Bible Sovereign Symbols Have a Whole Meaning of World Government

1. This Biblical and world historical development of *national* power's progression in seven key national lineages of world power in (1) Egypt, (2) Assyria, (3) Babylon, (4) Medo-Persia, (5) Greece, (6) Rome and the (7) Anglo-American national alliance outlined in both Daniel (Dan2,7,8; Dan2:38; Dan8:20-21) and Revelation (Rev17:8-11), springing from Genesis 10's 70 nations *is not the entirety of the final progression of human world power in those seven national ascensions.*

2. There is an 8th King and a final form of world power beyond national power: ***globalized world power.***

A. The globalist type United Nations international forum "image" of world government is a schematic and guiding charter/blueprint of world governmental concepts and collective planning but is itself not a world government, nor a complete true 8th King in and of itself. It is just an international/globalist form "image" of world government that has yet to form to a completion as a comprehensive global world government.

The Bible's Daniel 2, 7, 8 and 11 and Revelation 17 final symbolically pictured sovereign entities based on the national powers also have a bigger meaning in those whole symbols as a complete picture of globalized world power beyond the scope of it's national parts.

3. For example the Daniel 2 "immense image", though composed of various national parts, also has a whole "image" meaning of the totality of the symbol representing the totality of human world power it represents. The whole thing has globalized meaning as do it's progressive national parts leading to that globalized culmination.

A. The Revelation 13 and 17 "seven headed" wildbeasts also have a total meaning, though in seven heads as parts, the total picture of the whole being greater than the sum of it's parts is of a whole globalist world rulership system - a true 8th King complete consolidation of world power as a functioning full world government. The whole thing has meaning as do it's parts.

4. All those symbols as a whole, composed of smaller parts, progressing over time in national meaning, are all

globalist type world power consolidation totalities as a whole, as the whole meaning identical to the whole 8th King "scarlet wildbeast" meaning of full comprehensive world government. In the end the 8th King is the UN "image" center *and* a functioning actual world government as a whole. A totality of final global sovereign power completion. The whole thing has meaning beyond the various parts.

(2) National Government and Global Government are Different

1. National power systems and global world power systems are not the same form of government. Though national powers and alliances of multi-national power have demonstrated aspirations of world rulership it has all been a failure to realize. (Dan11:27 "nothing will succeed"); Instead the wars and world wars that extended these national power aspirations from local to regional to extra-national invasions and colonial-like occupations have only enriched the globalist power system while indebting the national powers in preparation, deployment and reparation debts related to these wars and world wars. Globalized world government is different than national government.

A. Globalist world power objectives are inter and intra-national in scope to control national powers whose focus must remain internal to the nation but must eventually be guided by a supreme global super-sovereign power understanding the inter-dynamics of all the nations. National powers do not have access to this kind of intelligence and information power globally, and national powers cannot do two forms of rulership, national and global, at the same time. Globalist world power is what a final world governmental evolution will be based on in this human developmental experiment in self rulership founded in the Edenic sovereign rebellion from God's sovereignty.

(3) God's Kingdom and the United Nations are not the Same Thing

1. God's Kingdom and the United Nations and it's eventual 8th King world government are not the same thing and are diametrically opposed to one another. Jesus Christ's Messianic Kingdom earthly sovereign agency is not the United Nations. Jesus Christ is not coming to join the UN and split global booty with a bunch of money and power seeking technocrats, financiers, warlords, politicians, academics and priests, he is coming to remove their world rulership attempt.

(4) The United Nations "Image" is Not Complete World Government

1. The problem is at this time JWs consider the United Nations "image" as the pinnacle of world power. But in fact UN world government 8th King is yet to complete that apex of sovereignty over a fourth and final required world tribulation/war cycle - 8th King world government does not yet officially exist completely.

A. And that 3rd cycle ending, that led to the 3rd UN placement of 1990 (Dan11:31), marks the final two UN placements in their final trajectory (Dan11:30-45) to Armageddon as the third (1990) of four (future) UN placements total in Bible prophecy and world history.

Bethel Goes Silent

1. Now just as that 1990 post Cold World War 3 (Dan11:29) 3rd UN rendition cycle ended and the 3rd UN placement occurred, and the recognizable process to present world government was now in three renditions, Bethel went mum. Now as the above implications could have been made manifest and explained clearly by Bethel, Bethel said nothing.

In effect, up to that time in the JW ministry everything was being tracked properly and consistently...

Then Everything Changed - The Bethel Ministerial Exit 1990 and the Loss of the UN Tracking Assignment

1. After 1945 in Jehovah's witnesses ministry everything was right on track, everything was unfolding perfectly upon prophecy and world events in this irreversible sovereign progression to Armageddon - and JW's were telling the world all about it!

A. Then something eventually happened that changed everything not only in the spiritual Christian status of Jehovah's witnesses, but in the validity and relevance of it's soon to be out-dated sovereign prophetic tracking assignment of United Nations developments soon to be derailed, fully ignored and covered up by Bethel's *policy*.

2. Soon after 1945 the Jehovah's witnesses Christian ministerial accuracy and UN tracking work was to be diverted and it's global ministerial exposition was to be affected by error as the JW ministry was to effectively stall in 1945 2nd UN placement exposition and explained meaning. This loss of UN tracking was accomplished by treating the 1990 3rd UN manifestation in the post Cold War (Dan 11:29-31) resolution period as of no account - prophetically, globally and historically. And even more was to unfold as evidence of severe ministerial departure at Bethel.

Out of the blue it seemed, Jehovah's witnesses were instead adjoined to the 8th King UN "image" by their Bethel leaders and it's "Governing Body" as a United Nations Non-Governmental Organization (UN NGO) - yet at the same time saying nothing regarding the significance of that 3rd United Nations world presentation! (Dan 11:31);

The UN NGO Transgression Fulfills Prophecy

1. That fateful but foretold (Dan 11:31; Dan 8:13) UN covenant with Bethel's endorsement and the detrimental effect it had on it's global JW ministerial arm as it's co-promotional "UN Department of Public Information" UN NGO global agency, occurred in approximately the 1990 time period as the then modern 3rd United Nations (UN) placement was occurring in the post Cold War (Dan 11:29) resolution amidst the USSR dissolution. (Dan 11:30b-32a);

Thus UN 3rd placement "disgusting thing" features of Daniel 11:31 and Daniel 8:13 parallels connected solidly to the Bethel UN NGO "disgusting thing" fulfillment and thus also became active in the Bethel system purposely in that 1990-1991 actually prophetically marked period.

2. That significant UN post Cold War "peace" resolution provided the world stage for that latest UN world event of that *third of four* United Nations world presentations (UN 3: Dan 11:31, 1990; UN 4: Dan 11:45, Future). That 3rd UN placement occurred as the 1990 United Nations "New World Order" initiative and world presentation and soon came to include Bethel as a co-promotional UN NGO global advertising agency to the unique JW global demographic.

3. Soon thereafter the term "new world order" appeared over 70 times in Bethel publications from 1991 to 2001 starting in UN NGO Awake! 9/8/1991 magazine as part of this Bethel backed UN world promotional campaign as signal UN NGO. (Matt 24:15; Dan 8:13; Dan 11:31); Henceforth Bethel quoted UN General

Assembly statements of that UN 3rd placement as the extent of their commentary and their global sharing in it's "disgusting thing" placement. (Dan11:31);

Now the UN 8th King prophetic and world history tracking work was totally derailed in the JW ministry for a diametric form of 8th King promotions by internal Bethel aid. Bethel's point of revealed apostasy is now fully known as also prophecy fulfilling in symphony with marked UN 8th King world events.

Bethel and Jehovah's Witnesses Have Changed

1. Now it was not just Daniel 8 and 11 being subverted but so was the whole Messianic Kingdom commentary that could have been developed concurrently as these 8th King world events made clear signals of it's diametric purpose opposed to God's Kingdom. Now all live and real-time prophetic enlightenment aiding valid commentary of world sovereignty events plainly in the making was also ceased at Bethel.

2. Instead Bethel echoed the seemingly endless past and fully subverted the once live response to 8th King world events that also squelched Jehovah's witnesses former foresight and insight as to what these events really mean. Instead today's backward minded Bethel ministry, in both historical and spiritual dimensions of retardation, is what Jehovah's witnesses try to pass off as live truth, valid commentary and accurate prophetic exposition as now the whole JW ministry now reflects Bethel's dated and backward minded attitude.

Today's Jehovah's witnesses, by this core Bethel subversive influence, are nothing like the 1920's and 1940's Christian's exposing 8th King current events and developments as prophecy live and real-time to the world. Today's Bethel is a UN annex. Today's JW ministry is a UN aiding misinformation diversion.

Bethel and Governing Body Main Distractions and Complimentary Idolatries

1. Today Bethel and the Governing Body are little more than brazen idols of distraction and the center of an organized foretold apostasy as it's "man of lawlessness" lead cleric system in modern form now fully compromised into the 8th King agenda.

2. Today's Bethel is a spiritually catatonic yet hyper-piously reactionary distraction designed to make themselves and organizational issues, hypocrisy, doctrinal wafflings and critical lawlessness the highlight of the ministry rather than reacting live and real-time to live world developments with spiritual and intelligent commentary on active 8th King globalization-to-world government developments plainly known to even the world now. (Luke21:25);

3. In effect Bethel covers up live 8th King developments clearly leading to world government over a required final cycle with much world evidence and secular commentary with "smokescreen" samplings from the JW past ministry of UN features with only 1945 relevance. The whole Bethel ministry is now a facade and deceptive act in which constant 8th King cover up is the live and real-time dynamic.

4. In addition to UN alliances, cover up and core transgressions today's Bethel also stumbles more people away from God than they assist into "the truth" with a well concealed to some hypocrisy campaign also deployed along with the whole overall apostasy.

Thus Bethel is also a mass stumbling reproach globally (2Pet2:1-3), in addition to their 8th King services being rendered simultaneously.

5. This total Bethel departure from the entire prophetic tracking ministry and all of it's live relationship to

Messianic Kingdom objectives, for an endless stagnation in a distant past, in major transgression and error (Dan8:11-13; Dan11:30-32), is made painfully obvious since 1990 and the Bethel purposeful if not totally thoughtless United Nations UN NGO covenant.

Bethel is Exposed by the Self Incrimination in the Prophecies They Cover Up

1. But by the prophecies we need to be paying attention to live and real-time, it is shown the now active Bethel events and their ramifications now and to come are themselves prophecy fulfilling!
2. In fact the Bethel apostasy is already the main signal repeating principle (2Thess2:1-4) indicating the entire 1914-1918 Daniel 12 and Revelation 8-11, 15-16 main prophecy is also about to repeat with an 8th King set of commencing world events as the context of the temple judgment of Jehovah's witnesses first to mark this critical final activation of final fulfillment prophecy to Armageddon and Kingdom come.
3. The Bethel apostasy and it's "man of lawlessness" center of organized operations indicates the final cycle of prophecy will soon fully activate.

The 8th King first cycle leading to the League of Nations in 1919, will repeat upon the same Daniel 12 pattern leading in final form to the 8th King world government 4th UN placement to also arrive at Daniel 12:11 live and real-time in the future at the end of this final 8th King and Messianic Kingdom completion cycle. (Matt24:29-31; Rev6:12-17; Rev11:7-13)

4. As the news of the United Nations "image" and it's 8th King world government completion reality progresses to full globalized unification of all the nations (Rev17:11-18) so will the main trigger of Armageddon also manifest in that event and period. Thus 8th King completion news is a gauge to the actual arrival of Christ to come for a concurrent Messianic Kingdom 144000 completion himself, with God. (Rev16:13-16; Zech14:5; 1Thess4:17; Mark13:24-27);

And this signal reality is now fully absent from the Bethel ministry and fully unknown to most JWs by organizational Bethel policy.

Bethel Apostasy Proof

Bethel Subversion Example 1 - The Matthew 24:15 UN NGO Signal

(Matthew 24:15-16) "Therefore, when you catch sight of the (UN NGO; Dan11:31) disgusting thing that causes desolation, as spoken of through Daniel the prophet(modern Dan11:31 "disgusting thing that causes desolation" as parallel of Dan8:13 "transgression causing desolation"); standing in a holy place (in the JW "constant feature" ministry as UN NGO), (let the reader use discernment,) 16 then let those in Judea begin fleeing to the mountains.(Because the JW Bethel desolation judgment for that UN NGO "transgression causing desolation" is near; 1Pet4:17; Dan8:13-14; Rev8:3-5);

1. In hindsight of that covert Bethel UN NGO revelation coming out from the world press in October of 2001, the developing earlier trend of internal Bethel control enabled by the "Governing Body" dictatorial Bethel coup of 1976 becomes obviously suspect in this calamitous spiritual development. The evidence is the UN 3rd placement was to manifest just 14-15 years later in 1990 with the 1991 Bethel "UN NGO" global co-promotions of that 3rd UN placement. (Dan11:31);

2. That Bethel internal compromise (Dan11:30-31) from 1976, and soon thereafter it's signal UN endorsement (Matt24:15) all climaxed into that UN NGO 8th King prophecy fulfilling now as a Bethel publicly known spiritual compromise - as **they**, the 8th King and Bethel, fulfilled prophecy together - and as expected (Dan8:12b) Bethel says nothing about it. (Dan8:11-13; Dan11:30-32a):

(Daniel 11:30-31) (3rd UN placement 1990:) **“And they (team effort) will certainly put in place the disgusting thing that is causing desolation.**(3rd UN placement, 1990; UN NGO, 1991, at Bethel; Matt24:15; Dan8:13 "transgression causing desolation");

In addition to that UN NGO spiritual adultery the prophetic tracking of the 8th King in the modern UN system developments was also now lost by JWs as now Bethel policy significantly marked by these concurrent UN related 1990 events.

Bethel Subversion Example 2 - Modern King North as 8th King Connection Concealed

1. Now the Bethel JW ministry did not develop an up-to-date commentary of Daniel 11 (Daniel 11:27-45) to accurately reflect that "King North" 3rd UN manifestation, for a third time as prophecy at Daniel 11:31, was an undeniable 8th King world event connection to "King North" final identity. Furthermore, to Bethel the 3rd UN placement was not even a significant world event worthy of insightful commentary, but rather "new world order" global placement quotes from George Bush Sr. was the new Watchtower and Awake! commentary.

2. Instead Bethel leadership covered up (Dan8:12) the King North as 8th King reality and the 1990 3rd UN placement meaning (Dan11:31) proving it. What developed at Bethel was instead a distracting ministerial facade echoing the JW past, embellishing it with many pretty pictures and other teaching diversions, as Bethel proceeded with a global UN promotions operation in a decade long "UN NGO" world advertising campaign (Awake! 9/8/1991) highlighting the UN "New World Order" objective in the JW world ministerial publications.

3. In this way the JW "constant feature" was now terminally polluted with 8th King propaganda as Bethel policy - for the "library card" as a purposefully ridiculous excuse to add insult to injury.

All this 8th King cover-up is carried out to this day while Bethel provides ever more subterfuge sampled from the past JW ministry, as now a foretold JW prophetic diversion campaign and apostasy is still active (Dan11:32a), in addition to the UN NGO transgression (Dan8:13) and Bethel's covert UN concealing missions now Bethel's ongoing official policy.

Bethel Apostasy is Globally Manifest

1. In other words, Bethel went globally apostate publicly as also foretold, and in fulfillment at the same time as it is all covered up at Bethel. In hindsight this critical JW ministerial diversion has developed in the the "Governing Body" managerial experiment and trended development for nearly 40 years progressing "gradually" (Dan8:12) from bad to worse and into more error, stumbling (Dan11:32-35, 41) and cover-up in the process; (2Thess2:1-4; Zech3:1-3; 2Pet2:1-3);

Modern Bethel and Governing Body Man of Lawlessness

1. Thus a modern "man of lawlessness" in the Governing "Body" and Bethel leading clerics is being revealed *with* their apostate production also connected to Daniel 11 prophecy manifest in marked fashion in 1990.

(2 Thessalonians 2:3-4) Let no one seduce you in any manner, because it will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition and lifts himself up over everyone...

(Daniel 11:32) "And those who are acting wickedly against [the] covenant (at Bethel), he (8th King/King North) will lead into apostasy by means of smooth words. (The Bethel "smooth words" 8th King cover-up in the JW publications is part of the smoothly justified apostasy);

Bethel Subversion Example 3 - Worldwide Globalization Understanding Uncommented by Bethel as Further Objective Obscuring Final 8th King World Government Cycle

1. Now all modern historical details of the globalist world government development in the 8th King and UN relationship, *and* its globalization process understanding, now readily available in voluminous worldwide analyses and research, are completely concealed explicitly by Bethel since 1990 in marked fashion.

A. After over twenty years in that trended Bethel subversion development since 1990, we now see Bethel's globalization ignorance campaign amongst JWs is also aiding 8th King UN developmental secrecy as to uncommented world globalism research and prophetic exposure leading to retarded 8th King world government understanding among modern Jehovah's witnesses.

As further evidence of Bethel's purposeful 8th King cover up, Bethel's clerics will not discuss or teach even now well known basic globalization or geo-political understandings supporting the better understanding of world government developmental trends and developments increasingly globally seen since 1990.

2. Today's Jehovah's witnesses, by Bethel policy, have no idea about globalism basics as being the fundamental 8th King world government global power consolidation dynamic now active all over the world.

A. Jehovah's' witnesses have no idea about globalization as an ongoing development related to the Revelation 16:13-16 8th King international "gathering" phenomena that is aided by globalization consolidations. JWs have no inkling globalization maturation leads to the complete 8th King world government administrative components progressively, because Bethel will not discuss anything that exposes further 8th King world developmental evidence in world geo-political sciences, globalism sciences or in modern prophecy fulfilling. (Dan11:30-41);

The JW collective mind is therefore now living in a perpetual 1970 level of world and spiritual awareness regarding 8th King world government. The entire UN tracking ministry of Jehovah's witnesses is now derailed and effectively defunct; The final required 8th King globalization-to-world-government phase is now unknown to the backward collective JW mentality and absent from the JW world ministry.

JWs Stalled and Set Up for Final Cycle Bewilderment

1. Rather than 8th King globalization (Rev16:13-16) - culminating into a required global government super-sovereignty (Rev17:11-18) - over a future final 4th UN phase of 8th King prophecy (Dan11:42-45) -

JWs think "it can end any day now brothers!". Though the final phase is about *to begin* as Daniel 11:42-45, JWs think instead, by Bethel delusions, that it is all over.

2. JWs are fully stalled, derailed, deluded and misled and expecting a fully premature "end of the world". The logical UN 1-2 manifestation from 1919 to 1945 leading in prophecy (Dan11:30-45) to [UN 1-2-3-4](#) conclusion with the 3rd UN placement of 1990 and 4th UN placement of the future is unheard of to JWs.

This sets up JWs for mass bewilderment when that Daniel 11:42-45 final 8th King phase begins soon.

3. Now JWs, together in the well advanced Bethel purposeful deception production, live an engineered delusion of a former ministry in constantly plagiarized and repeated details covering up modern 8th King reality. Now JWs are immersed psychologically in a complete Bethel/8th King allied stalling act and the Bethel engineered cover-up under a deceptive ministerial veneer.

JWs Now Cover Up 8th King as Final King North Certainty

1. Modern Bethel and JWs are therefore acting as if a UN 3rd placement (Dan11:31; 1990) is not part of the 8th King final world governmental non-stop progression to lead to the final UN presentation (Dan11:45) *with* full world government in the future Armageddon climax 4th UN placement of Bible prophecy:

(Daniel 11:45) And he (8th King/King North) will plant his palatial tents (4th UN placement as world government) between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end (Armageddon), and there will be no helper for him.

JWs cannot even tell that "King North" is the 8th King in a final prophecy sequence!

2. It is obvious from the get-go only the 8th King can and will fulfill that Daniel 11:45 portion of the global prophecy of "palatial tents" as world government worldwide as the end of the Daniel 11:42-45 final 8th King phase of the future. But now JWs have lost the 1990 3rd UN placement connection (Dan11:31) to that 4th UN placement (Dan11:45) as a required continuum:

(Daniel 11:36) "And the king (8th King marked in 3rd UN placement of Dan11:31) will actually do according to his own will, and he will exalt himself and magnify himself above every god (including the USSR); and against the God of gods he will speak marvelous things. And he will certainly prove successful until [the] denunciation will have come to a finish (non-stop "success" to Armageddon) because the thing decided upon must be done.

Bethel Apostasy is as Far as Daniel 11 Has Fulfilled

1. And now the proper modern Daniel 11 fulfillment position in Daniel 11:41, in current Bethel 8th King compromise (Dan11:30-31; Luke21:20), is also lost, and the reason why JWs have lost direction and lost the UN tracking assignment of BOTH the 3rd and 4th UN placement meanings:

(Daniel 11:41) He (8th King) will also actually enter into the land of the Decoration (infiltrates the Bethel ministry internally), and there will be many [people] that will be made to stumble. (Matt24:15; Luke21:20 signal development present now at Bethel; Stumbling people is also the lawless Bethel subversion goal.);

2. Now the Jehovah's witnesses' Christian ministry is fully misdirected, compromised and profaned as per

prophecy; (Dan8:11-14; Dan11:30-35; Rev8:10-11). And now the important progression of prophetic certainty proven by world events foretold in such now lost modern detailed 8th King developmental connections, is also now broken as a continuum (Dan11:36) of concurrent 8th King and Messianic Kingdom culminations. (Dan12:11);

Now JWs Lost Final Two UN Placement Tracking

1. That the 8th King and Messianic Kingdom completions require a final developmental phase in the near future commencement, that the 3rd UN placement (1990) must lead to as a final UN placement of the future (Dan11:45), as a continuous 8th King "will certainly prove successful" continuously to Armageddon, is now lost upon JWs. (Daniel 11:30-45);

2. Now the first two UN placements properly explained by Jehovah's witnesses as prophecy (Rev13:11-15; 17:8-11) cannot be connected to the last two UN placements of Daniel 11:30-45 as a UN 8th King 1-2-3-4 [guaranteed continuum](#) to Armageddon due to this Bethel truncation and diversion of prophetic and 8th King reality.

By all this the JW ministry has lost the 3rd and 4th United Nations 8th King placement meanings and it's global ministerial exposition- and that aids the final 8th King world government development with now JW aided error and misinformation in the worldwide ministry regarding the 8th King as King North of Daniel 11:30-45, and the final Daniel 11:42-45 8th King required globalization completion cycle to full world government to begin soon.

Overview: The Importance of the First Two UN Placements Prophetic Tracking Continuum From 1919 to 1970 and the 1990 Bethel Signal Apostasy UN Diversion Campaign

A. JWs Laid The "Kingdom Come" Issue as a Framework of Logic

1. The International Bible Students (IBSA), by God's aid through Christ, laid a unique Christian ministerial theme that focused on the Kingdom of God as the source of the universal earthly rulership that would deploy as the Messianic Kingdom agency. That the Messianic Kingdom was to soon be the earth focused world rulership under Jesus Christ as God Almighty's anointed King of kings right on planet earth was made known globally. (Zech4:6-9; Dan2:31-45; Rev19:11-21; Rev21:1-5);

2. The prophetic sovereign theme of that Jehovah's witnesses Kingdom of God ministerial deployment, as a foretold (Dan7:25; Dan12; Rev10-11), developed in the 1914 era foundational ministry that soon developed to far greater detail by 1930. In that progress in understanding, more information came forth affirming much Daniel and Revelation underlying prophetic meaning in important timelines, modern world event meanings and required continuums of 8th King and Messianic Kingdom co-development towards Armageddon's foretold resolution of the sovereign world rulership issue now backed by marked world events after 1914.

Messianic Kingdom prophecy and 8th King UN world events were now inseparable as both developing concurrently enroute to Armageddon as a reliable continuum and affirmable trajectory backed by more prophecy foretelling more UN 8th King world events as time progressed.

3. Thus a prophetic thread of certainty was also explained as an interlinked framework and continuum outline that was *mapping* the Kingdom of God manifestation in preview form over time, in it's Kingdom proclamation concurrent with also 8th King developments as a significant timed gauge in sovereign warning in a prophetically timed manner backed by world events marking the prophecy. In basic terms when the 8th King completes world government, the Messianic Kingdom final sovereign response will be triggered after that event; (Dan12:11; Matt24:29-31; Rev6:12-17);

4. That logical progression to required 8th King sovereign completion as world government, prior to and enabling the final Messianic Kingdom completion and reaction is fully unheard of to JWs today And that Bethel engineered ignorance aids the JW premature "end of the world" delusion.

First Two United Nations Placements Explained Properly by JWs Live and Real-Time

1. The original 1914 JW Kingdom ministry made clear that a League of Nations globalist world government foundation was also laid and proclaimed at that time that led to the second United Nations related manifestation. That is now foundationally beyond question in the 8th King's concurrently developing diametric rivalry to the Kingdom of God, which Kingdom of God made it's own sovereign proclamation of that 1914-1918 prophetically marked period concurrently.

2. That Jehovah's Christian witnesses identified that 1919 first League of Nations (Rev13:11-15; Dan12:11) prophecy, and the subsequent 1945 second (Rev17:8-11) United Nations prophecy and placements as marked prophetic fulfillments is very important. It is an example of the Jehovah's witnesses' concurrent UN tracking assignment of explaining sovereign meaning in prophecy fulfilling in also the rival 8th King world government system parallels with the Messianic Kingdom "birth" announcement progressing over time as expected. And that tracking and up-to-date commentary needed to be maintained as significant as time proceeded past the 1945 2nd UN placement.

3. That timed proof of prophecy was marked by the overall sovereign significance based on the Jerusalem sovereign deposition of 607 BCE linked to the Israel/Judah/Davidic Kingdom covenant of God as the "appointed times of the nations" ending in 1914. (Dan4:16,23,25,32; Luke21:24); The initial fulfillment of Daniel 12 smaller scale timed prophetic periods (Dan12:7; 12:11; 12:12) marking significant Kingdom meanings from 1914 and 1926 ministerial manifestation was also developed starting in 1914.

4. Thus the end of the 2520 years "appointed times" led to the initial Messianic Kingdom "birth" ministry deployed as per solid prophecy - with 8th King related world events also marking it's significance. An overall framework was thus defendable in a progression of developmental features of the Messianic Kingdom agency from Daniel 12's timed periods initially fulfilling and underlying the applicable Kingdom ministerial Revelation 8-11 prophecy. (Dan7:25; Dan12:7; Rev11:2-3; Rev12:6,14; Rev13:5 parallels);

5. That comprehensive and proven timed framework and it's sovereign milestones and meanings, it's dual "kingdom" theme and it's manifested features, also provided a reliable linking of Daniel and Revelation structured sovereign prophetic outlines. Now Daniel and Revelation were also progressing together to Armageddon upon marked global events. By the theme and timing in the first fulfillment of Daniel 12:7 1260 days of 1914-1918's time signature, the Revelation 11-13 cross relation was solidly established as that co-related parallel prophecy fulfilling.

6. That Kingdom hub of real meaning created a far greater sovereign picture into which other supporting

prophecy could then be linked reliably from all the prophets. When that prophetic structured framework, with real world events of 1914-1919, became backed even further in the 1945 2nd UN placement meaning, it became even more pronounced as valid when compared to the out-dated interpretations and disconnected nature of Christendom's theology. Though that from such context the IBSA separated, the overall difference is astounding to those understanding the now big "world government" picture that now was surfacing.

That an 8th King designate "birth" also appeared in globalist diametric form as an intended human world rulership in an international forum "nucleus" of the 8th Kingdom "image" of world government as the League of Nations, with the Messianic Kingdom announcement, at roughly the same period of time, is of course in retrospect beyond coincidence.

7. Thus an 8th King and Messianic Kingdom completion parallel was thoroughly founded in prophecy and backed by world events in 8th King world government development. That foundation provided a continual live and real-time responsibility for Jehovah's witnesses to track prophecy continually. Jehovah's witnesses also were required to explain the supporting world events correctly as prophecy when they appeared on the world scene in applicable fashion. Thus Jehovah's witnesses were to be constantly providing the key meanings of prophecy and it's described world events which were guaranteed to continue to fulfill and to describe future 8th King and Messianic Kingdom developments beyond 1945; (Dan11:27-45; Dan8:9-25; Rev16; Rev17);

B. Earthly Purpose of God Fully Explained

1. The purpose of God to fulfill the Genesis 1:26-28 (Gen12:3; 22:17-18) Edenic blessing on earth as God's "will done on earth" (Matt6:10; Eph1-3) by means of Christ to circumvent the Edenic sin and sovereign rebellion issue was also made far clearer than the Christendom scenario of a mass exodus from earth to heaven or hell. And the manifestation of the 8th King and Messianic Kingdom required final agencies' respective proclamations claiming to be the world power to fulfill God's "will done on earth" also appeared at the same 1914-1919 timing and were noted as concurrent yet diametrically opposed as to which world government would rule planet Earth.

2. This focused the reality of Christ and the Kingdom of God coming to earth (Matt6:10) as a real anticipated event among true Christians, and what it would mean for the rival 8th King sovereignty was explicitly stated. (Dan2:31-45; Rev19:19-21) Jehovah's witnesses used to make it clear God's Kingdom is not a globalist elite UN "expression of God's Kingdom on earth" and Jesus Christ is not coming to join the United Nations and that more than implied a sovereign global war with God, which was made clear in the JW ministry like no other ministry on earth.

3. Now that ministerial tracking work has ended up as a foretold Bethel ministerial diversion endorsing the UN as UN NGO, as many again are unaware of the true sovereign issue in dynamic development here currently swept under the Bethel rug.

C. Kingdom Issue Fully Explained

1. Thus the Kingdom issue and world rulership issue was clarified fully in forms explained clearly to become final world government entities that resolve that sovereign issue in a final conflict related to the Armageddon meaning.

D. God's Supreme Unique Identity Fully Explained

1. A clear distinction between God and His Son Jesus Christ was clearly made in Jehovah God's Name

describing the definitive unique Almighty God as an individual person.

E. Jesus Christ's Role in God's Purpose Fully Explained

1. Jesus Christ's role as God's Word, messenger, anointed servant and King to carry out God's will was also clearly defined from various Christendom confusions.

F. The Christian Ministerial Responsibility Fully Explained

1. The Kingdom and ministerial responsibility of Christian exclusive devotion and exclusive worship of God alone, by access through Jesus Christ's sacrifice as the only two persons to receive faith and trust was also clarified. As Christendom joined the League of Nations endorsement and true Christians endorsed God's Kingdom, the distinction was made clear. (To be noted later, because that distinction was clear, but obscured in recent times as the 1990 Bethel 3rd United Nations endorsement as UN NGO is now the modern JW "two masters" status. (Dan11:31b; Matt6:24; 24:15);

G. Prophetic Rival System Sovereign Progression Nearly Fully Explained

1. Thus what is a required tracking of Messianic Kingdom developments *and* 8th King developments in prophecy and world events and developments to lead to a climax period of human history was set as an early Christian ministerial theme of the Jehovah's Christian witnesses. (But now noted as derailed in modern Bethel loss of the 3rd UN meaning in prophecy in 1990 - thereby losing the required focus of tracking those two kingdom developments in modern world events fulfilling prophecy and their parallel developments.);

H. World Rulership Conflict Principle Fully Explained

1. Thus two diametric "kingdom" sovereignties, in side by side concurrent development, was identified as was the assured global location of that sovereign resolution. (Rev16:12-18);

The Final Climax Concept Not Fully Explained

1. That this kingdom and world rulership dual development would progressively lead to the Armageddon climax in time was shown in conceptual form in the initial fulfillment pattern of Daniel 12 and Revelation 8-11 parallels up to the understanding of that period. That understanding is now suffering a loss of focus due to Bethel's diversion campaign and organized signal apostasy. (2Thess2:3; Dan11:30-31; Dan11:32a; Zech3:1-3);

2. Now since 1976 and nearly forty years of "gradually given over" (Dan8:12) internal Bethel compromise, led by the Governing Body method of factional-to-full control, the JW ministry has warped with the Christian ministerial focus. This resulted in time, "gradually", in the UN NGO covenant and all it implies in 8th King aiding promotion, deception and cover-up and further resulted in the last twenty full years of missing Biblical commentary at Bethel regarding 8th King developments clearly fulfilling more prophecy since 1990 and the 3rd UN placement of that time. (Dan11:31; Dan8:11-14, 23);

3. Thus it is not JW's "moving ahead" or in danger of "pushing ahead" but rather JW's having falling far behind at least 20 years. JW's are now fully behind the Biblical and world times as far as 8th King development amidst a Bethel spiritual lawlessness and stumbling campaign actually fueled by this Bethel spiritual criminal activity and it's public record spread globally by the internet.

4. In effect of the full 37 years since 1976 of this "Governing Body" centered subversion and transgression (Rev8:10-11), really that whole time period (Rev8:12) is now a reflection of the JW progressive subversion into now full apostasy. Thus now full JW communal apostasy is enabled by Bethel's organized means of administering it and concealing it to some, but not to all, at the same time as they develop and deploy it.

5. Accordingly the 8th King tracking in it's significant events since 1990 and the growing globalization-to-world-government awareness even in the world's research is all concealed issues by Bethel policy. In that purposeful Bethel engineered 8th King developmental ignorance among JWs, JWs are also incapable of explaining or proving the final cycle of 8th King development of the future (Dan11:42-45; Rev17:11-18), or it's signal development as the Daniel 11:30-41 continuum since 1990. JWs have been fully derailed with a modern ministerial irrelevance now stalled in 1970 perpetually.

6. Thus JWs are incapable of explaining prophecy in final fulfillment properly and are in actual Bethel engineered error regarding Daniel 11:27-45 (King North as 8th King) and Daniel 8:9-25 ("small horn", "King of Fierce Countenance" as 8th King) as an identical 8th King final phase of world rulership development in those parallel prophecies. Now all sovereign prophecy of King North and the King of Fierce Countenance are globalized world government meaning fully transcending Bethel's national defined dead-end fictions, now both converging into their identical globalist 8th King world government meanings and their final development and placement sequences.

Instead Jehovah's witnesses now promote a premature end and "Babylon the Great" attack scenario at an overly advanced position ("Daniel 11:44 next" error) in a fictional Daniel 11 "USSR is King North" interpretation concealing the final 8th King cycle reality (Dan11:42-45) outlined in Daniel 11:30-45. Thusly JW theology is now hi-jacked and engineered in the key Daniel 11 error to aid the confusion in the final cycle period's commencement.

Temple Judgment Unknown to JWs

1. The coming timed temple judgment of Daniel 8:11-14 as consequence of the Daniel 8:13 UN NGO as that "transgression causing desolation" of Daniel 11:31b placing of the "disgusting thing" as Bethel UN NGO, as co-developing with these lawless Bethel subversions, is also unknown to Jehovah's witnesses.

2. That Daniel 8:13-14 activates as 1Peter 4:17 as parallel of Revelation 8:3-5 final fulfillment commencing the final Revelation 8-11 final cycle parallels is also unknown to modern Jehovah's witnesses. All these prophetic certainties are covered up with WW2 era fictions by the Bethel apostate leaders. That Bethel has killed the real-time prophetic understanding so have they paralyzed the JWs understanding prophecy continues to fulfill and in fact it must all replicate in final form in the near future as a live and real-time final set of marked years and 8th King final world government cycle currently hidden by this purposeful Bethel "theological" coma.

3. Now Jehovah's witnesses teach an erred Daniel 8:9-25 and Daniel 11:30-45 parallel actual 8th King scenario since 1990 marked manifestations as a WW2 era and USSR Cold War era fictional fulfillment maintained through the fall of the USSR and the 3rd UN placement of 1990 after the Cold War resolution.

4. That the final temple judgment cycle that actually starts upon Jehovah's witnesses in the final 8th King cycle context of Daniel 11:42-45 is also unknown to Jehovah's witnesses. JWs think instead all prophecy of Daniel and Revelation has fulfilled "to the smallest detail"; (WT 6/15/2012 Article: JEHOVAH IS A REVEALER OF SECRETS");

JWs are now deluded sitting ducks, set up by apostate Bethel, for the 8th King first "trampling" of Daniel 8:13-14 coming soon as the JW temple judgment significance; (1Pet4:17); That temple desolation event can then be made to look like the fictions in the engineered theological deception aiding a great hoax potential upon Jehovah's witnesses to cover up the reality of what is actually manifesting.

4. Now Bethel and the 8th King can present that temple desolation of Daniel 8:13 to JWs as premature Daniel 11:44 "the end of the world starting brothers!" premature "attack on Babylon the Great" and most JWs will be none the wiser for quite some time; (Dan8:14; Hos6:1-3; Isa37:30);

Current JW Status: The Final 8th King and Temple Judgment Cycle is not Fully Explained

A. Though the final cycle of prophecy and world events is contained in the first Kingdom and 8th King cycle of Daniel 12 of 1914-1926, merely repeating in final form in the near future, with unique prophetic signals of:

1. Daniel 8:13-14 temple judgment of Jehovah's witnesses and;
2. Daniel 11:42-45 final 8th King phase of global intrigues activating;

JWs are fully unaware of this reality.

B. Bethel subversion has created this spiritual retardation. Thus we have a loss of the 8th King UN tracking assignment by Bethel that developed after the 1945 2nd UN placement was explained properly, leading to a now complete cover-up of the 1990 3rd and future 4th UN placements by Bethel subversion.

CSI Bethel - The Governing Body Unusual Suspect

Time, Offense and Scene of the Crime

1. Thus sometime after 1945 and a successful tracking of two UN prophetic developments through that period the third UN placement of 1990 was concealed and ignored with a signal UN NGO Bethel endorsement. (Dan11:31; 8:13; Matt24:15); That apostasy finally surfaced in 1990 from an internal Bethel development predating that time in positioning (Dan8:11-13), empowered by foretold 8th King aided anointed defection and infiltration (Dan11:30b-35, 41), as in time a Bethel subversion developed to the point of endorsing the UN 8th King as UN NGO by 1990.

2. Covering up the Daniel 8 and 11 relative prophecies of that development, and covering up the King North (and King of Fierce Countenance) identity as only possible in the 8th King in Daniel 11:30-45 and Daniel 8:11-25, all co-developed with this now ominous internal Bethel UN NGO development.

3. We therefore ask: What happened to the JW ministry here in this interim time period between 1945 and 1990?

As we put 2 and 2 together the "unusual suspect" in this case, to develop at Bethel between 1945 and 1990 approximately, is of course the 1976 Bethel dictatorial coup by the "Governing Body" dictatorial development that sprung up and seized Bethel control in this interim period.

The Main Suspect: Governing Body Unique in JW History and Neo-Papal in Christian History

1. That internal Bethel "cell" of unique and timely development was the new, potentially factionally controlled, and non-Biblical, yet scripturally super imposed "rule by committee" "Governing Body" method of Bethel JW ministerial guidance. That timely development amounts to a self-glorified, self-appointed and specialized corporate "board of directors" - as a mythical divine supreme council - that went into group control in 1976 after the Bethel ministry was in full successful operation formerly led by *individual* anointed Christian guidance in Charles Russell, Joseph Rutherford, Nathan Knorr and Fred Franz.

2. This new type of "committee" "guidance" at Bethel was therefore also unique in all JW history since 1914, but was sold off as an existing divine entity dating back to the days of the apostles, and the early IBSA ministry - which is not the truth. (Acts 15:1-33 and Revelation 2-3 do not mention any mythical "governing body" of apostolic "popes"; 2Thess2:1-4; 2Cor11:13-15);

A. The "governing body" is not a Biblical term or entity as well and had to be super-imposed and implied by human rationale upon the one time Jerusalem Acts 15:1-33 emergency circumcision clarification meeting to even install such an idea in the mass JW mind in error. (2Thess2:11-12).

B. Now Jehovah's witnesses and Bethel house a neo-papacy complete with a clergy and laity class and an organized Bethel coercive inquisition applied as an artificial and distracting intermediary between God and the JW "sheep" replacing Christ in the process. Organizational judgment and ritual works replace undeserved kindness and Bethel sanctifies itself instead of God and that provides the Governing Body smokescreen of fear to continue the apostasy unabated.

3. In hindsight this experiment in Governing Body centered catastrophe is the single worst failure of JW history from the inception of this "divine body" that led to even more serious transgression and eventual full departure from the Christian ministry in time "gradually given over" (Dan8:11-13) to this 8th King serving apostasy.

4. The "governing body" invention and it's Bethel installation by intrigue as a "supreme council" - or Bethel's modern Papal-like "Lords of the Faith" - is unique to 1976 and after in Jehovah's witnesses, and that is telling for the critical developments that soon followed. It's method of ambiguous group rule and it's dictatorial threatening style was also unique to that fateful 1976 inception and after as prior to that time the "body of the Christ" was recognized as the only divine entity identified by God, Christ and the Bible.

5. There simply is no such thing as the "governing body", all divine authority is in Jesus Christ by God's appointment and thus secondarily to his "body" of anointed of which the 12 apostles were the first members upon faithful continuation of the responsibility by faith and obedience. When one defected a replacement was selected by God and in time that apostolic body ceased in existence as the "body of the Christ" continued the work by also God's selection.

6. The "Judas" "Governing Body" picture is all Bethel is indicating (2Thess2:3-4). This is because never has and never will God place an intermediary authority between Christ and his own "body" as the Governing Body has assumed and "lifted themselves" into. God certainly will not set a group of UN servicing Bethel lawless ones over anointed Christians, instead Bethel's apostasy and "lawless one" shall fully fulfill the signal apostasy towards it's temple purification expulsion signaling a final temple judgment cycle. (Zech3:1-5);

Thus the "governing" "body" is actually a manmade additional body added later, whose very existence is

naturally "set in opposition" (2Thess2:4) to the "body of the Christ" which the so-called "Governing Body" claims to be the supreme authority of. Thus Bethel is now a neo-papal system in reality, merely modified to fit the Bethel urban CEOs of the modern Bethel corporations.

7. And now it is Bethel and the pre-positioned corporate "Governing Body" fingerprints that are all over the UN NGO main Bethel idol of transgression. (Dan8:13);

In hindsight two Bethel books foregleamed their own apostasy:

God's Kingdom of a Thousand Years Has Approached (1973);
chap. 18 p. 387 par. 51 Bringing the "Man of Lawlessness" to Nothing;

"That body of apostles, like a composite person, was then, "right now," as Paul times it, standing in the way of the organizing of a corporate "man of lawlessness" within the entire Christian congregation and in control of it."

Man's Salvation Out of World Distress at Hand! (1975);
chap. 12 p. 207 par. 5 Christendom and Judaism Now Facing Desolation;

"However, as, in the parable, the enemy came by night when men slept and oversowed the same field with weed seed, or bearded darnel seed, so later on, when baptized professing Christians did not keep awake and on the watch against the invasion of error and pretenders, Satan the Devil would sow imitation Christians in among the true "sons of the kingdom.""

Only a divine judgment can now remove the Bethel stranglehold on "the truth". (1Pet4:17; Zech3:1-5; Dan8:13-14);

Now the Christendom quagmire of ideas stemming from the 1919 League of Nations endorsement is supported by the more recent Bethel quagmire and it's 1990 period UN NGO United Nations endorsement.

Faithful and Discreet Slave "New Light" is Final Bethel and Governing Body "Man of Lawlessness" Lift Up Signal of Blasphemous Apex

1. Supporting the initial 1976 Governing Body self-exaltation signal of 2Thessalonians 2:1-4 "lifting themselves over everyone", the Governing Body now reveals itself as earth's one and only, self-judged, self-approved and self-appointed "faithful and discreet slave" in the first "new light" "epiphany" in almost 40 years from Bethel's Governing Body ruled progressive darkness period.

2. The significance of this "faithful and discreet slave is only the Governing Body" statement from Bethel is a final "lifting themselves over everyone" lawlessness signal in brazen and complete fashion prior to the temple judgment commencement.

3. Now we know the whole Governing Body is knowingly "set in opposition" and fully compromised along with much of Bethel and the worldwide organization in factional compromise and are now producing some final key blasphemies in astounding final fashion as purposeful as ever could be.

4. Expect more apostate signals from Bethel, as they will also aid 8th King first "trampling" (Dan8:13) intrigues upon the JW worldwide organization from internal positions in Bethel and the JW worldwide org for

use of organizational logistics, financial and intelligence means to aid the 8th King ministerial cessation end and objectives to complete coup-de-grace attempt.

5. And that 8th King Bethel "desolation" will be permitted by God to account for the UN NGO "transgression causing desolation" to the divine limit of the Daniel 8:13-14 temple judgment indictment and decree of timing and desolation (evening) to purification (morning) phase meaning meeting the divinely required Daniel 8:14b "right condition" of temple purity (Zech3:1-5) and truth (Mal3:1-5) prior to deploying the truly accurate final warning Kingdom completion phase ministry of Revelation 10-11. (Zech3:6-7);

The Bethel Purposeful Delusions for Final Cycle JW Confusions

Now Jehovah's witnesses are in a lackadaisical attitude of scriptural apathy and indifference thinking it is all ending in a Bethel engineered scenario of pure error ignoring everything in prophecy and 8th King world events since 1990 completely covered over.

The entire final cycle logic from prophecy is not present in JW awareness and understanding.

Instead Bethel has engineered their theology to cover up events with fictional interpretations out of sync with the final 8th King globalization process revealed in prophecy to commence in the final cycle concealed to the JW collective mind by this well engineered delusional smokescreen.

1. Bethel promotes Daniel 11:44-45 as activating next when it is Daniel 11:42-43 8th King wealth and asset intrigues that are to mark the final cycle activation.
2. Bethel promotes an "attack on Babylon the Great" as a first signal event impossible in the final cycle as BTG goes down late in 6th-7th plague timing; (Rev16:12-19; Rev17:11-18).
3. Bethel also promotes a fictitious "peace and security" statement potential that can only be truly valid under 8th King world government at the end of the final cycle, after a number of years of final cycle fulfillment solidly timed in Daniel 8:14 and Daniel 12:7 timings and benchmarked meanings.

Jehovah's Witnesses Now and Later Totally Fooled

1. Thus Jehovah's witnesses are psychologically primed for Bethel desolation events to appear as one set of prophecy fulfilling (Dan11:44), when in fact the Daniel 8:13-14 first 8th King trampling and divine timing (Dan8:14) will be starting, not ending, the final cycle. Temple judgment desolation "evening" of Daniel 8:14 as the Daniel 8:13 "trampling" for the UN NGO "transgression causing desolation" is what will be active as the final temple judgment signal sequence BEGINS the whole final cycle activation in earnest.
2. Now Jehovah's witnesses can potentially watch a JW worldwide organizational desolation take place and think it is prophecy fulfilling. (Dan11:44-45); Which it will be, but not the prophecy (Dan8:13) JW's think is fulfilling. In this way the final 8th King cycle begins, as JW's perceive in error that it is all ending.
3. In that way the 8th King proceeds to commence a multi-year final globalization culmination into actual world government as JW's will not be aware of this reality for quite some time. God is requiring again (Rev10:11) a final "two witnesses" second warning period deployment proclaiming Kingdom completion phase truth, into this 8th King cycle active globally, and that is another awareness not present in modern JW's.
4. In effect the climax and homestretch of the whole Christian ministry in the true "hour of test" final phase

will be activating while Jehovah's witnesses are expecting instead a premature "the end" scenario completely contrary to Biblical prophetic final fulfillment and 8th King final globalization requirements.

5. Thus JWs are also set up for a mass stumbling and sheep scattering event (Zech11, 13:7) and great potential disappointment and assured bewilderment when the "Armageddon" they expect does not arrive for a number of final years, and instead God has judged the temple as profaned (Zech3:1-3; 2Thess2:3-4) and purposed a final ministerial push.

The Main Target of The 8th King Coming First "Trampling" of Daniel 8:13 Temple Desolation Events (Daniel 8:13-14)

1. And this is why modern Jehovah's witnesses are the last point of Christian and world truth already diverted now, that is also the target of a full global ministerial removal attempt indicated in the very apostasy active internally at Bethel. If the 8th King leads an internal Bethel apostasy as per prophecy (Dan11:32a), with great evidence of critical compromise and transgression, then we can know he is not going to remain static, but this Bethel tool of lawlessness has a coup-de-grace intention also indicated in more prophecy such as the whole book of Hosea, Micah, and most of Isaiah's prophecy.

A. The "man of lawlessness" is also the "son of destruction" in Bethel's cleric system, a betrayer manifestation climax in that symbolic meaning. Zechariah 11 "flock meant for the killing" is now all JWs to be under the 8th King divinely permitted "trampling" desolation (Zech13:7 "sword") of Daniel 8:13 "trampling" that the UN NGO has sealed in the JW organization;

B. The Daniel 8:13 "transgression causing desolation" is the UN NGO temple offense; (Zech3:1-3);

2. This article will further explain the initial valid progressive sovereign description and framework and it's importance classically developed in JWs up to the appearance of, and progressive gradual diversion centered in, the Governing Body in 1976 and after in the Bethel signal apostasy. (Dan11:32a; 2Thess2:3);

3. That valid ministerial theme based on a Kingdom proclamation and it's globally explanatory ministry paralleling two known UN placements as the co-developing rival 8th King world rulership system has a point of known departure to also be explained further.

Jehovah's witnesses were a valid Kingdom ministry until this modern Bethel diversion, now matured (Dan8:23), derailed the modern JW ministry with great evidence of the 1990 period total departure from the former Jehovah's witnesses Christian Kingdom ministry.

First Two United Nations 8th King Explanations - Live and Real-Time

1. League of Nations 1919 as Revelation 13:11-15 Fulfilling

A. The initial Kingdom ministry of Christian clarification deployed in the 1914-1918 WW1 period forming, This world development and ministry led to a dual manifestation situation as not only did God's Kingdom make a sovereign proclamation, but soon a concurrent rival 8th King system also made a sovereign presentation and proclamation too.

B. That was fully explained in prophecy as the 1919 League of Nations "image of the wildbeast" by firstly and only the International Bible Students (IBSA):

(Revelation 13:11-15) And I saw another wild beast ascending out of the earth, and it had two horns like a lamb, but it began speaking as a dragon. 12 And it exercises all the authority of the first wild beast in its sight. And it makes the earth and those who dwell in it worship the first wild beast, whose death-stroke got healed. 13 And it performs great signs, so that it should even make fire come down out of heaven to the earth in the sight of mankind. 14 And it misleads those who dwell on the earth, because of the signs that were granted it to perform in the sight of the wild beast, while it tells those who dwell on the earth to make an image to the wild beast that had the sword-stroke and yet revived. 15 And there was granted it to give breath to the image of the wild beast, so that the image of the wild beast should both speak and cause to be killed all those who would not in any way worship the image of the wild beast.

(Revelation 13:11-15) And I saw another wild beast ascending out of the earth*(from the established national systems)*, **and it had two horns like a lamb, but it began speaking as a dragon.***(the Anglo-American globalist elite guidance system developing 8th King world government)***12 And it exercises all the authority of the first wild beast in its sight***(the Rev13:1 national wildbeast progression of Dan2,7,8)* **And it makes the earth and those who dwell in it worship the first wild beast***(the nationalism primary worship distraction)*, **whose death-stroke got healed.***(from WWI recovery and League of Nations political and financial oversight from 1919; Rev17:8 "admiration" principle reinforced by this first recovery as a formulaic principle of UN presentation acceptance)***13 And it performs great signs, so that it should even make fire come down out of heaven to the earth in the sight of mankind. 14 And it misleads those who dwell on the earth***(distracts mankind from the Messianic Kingdom certainty)*, **because of the signs that were granted it to perform in the sight of the wild beast, while it tells those who dwell on the earth to make an image to the wild beast***(League of Nations world government nucleus, blueprint and international developmental forum)***that had the sword-stroke and yet revived.***(the world war resolution "revival" hope aids the world government presentation in that world-war-to-world-government formulaic effect)* **15 And there was granted it to give breath to the image of the wild beast***(the world government "picture" begins to be painted, a world government begins to be built according to it's "image")*, **so that the image of the wild beast should both speak***(Anglo-American globalist elite voice begins shaping world destiny towards world government; Rev16:13-16)* **and cause to be killed all those who would not in any way worship the image of the wild beast.***(in time this UN related "image" development must evolve into world government in four UN cycles foretold in prophecy);*

C. Today many Christians besides Jehovah's witnesses understand that prophecy can only be the 8th King designate as League of Nations initial manifestation after the WW1 period was resolved to highlight the need and validity of that foundational world government organization. The sovereign certainty of Daniel and Revelation prophecy of what that 1914-1918 period meant and was leading to was also affirmed in hindsight of what a League of Nations really means as a sovereign rival world rulership - a true "new world order" concept and attempt.

D. Thus a major piece of required sovereign prophecy popped into reliable place in 1919 in the sovereign theme of progressive development towards Armageddon. It was made clear more fully after that time in what is seen now by some as the first unmistakable symphony of the initial Kingdom proclamation ministry *with* a world war scope tribulation, *and* an 8th King rival world governmental birth presentation all in the same approximate four years of development.

Thus for more than prophetic reasons, 1914-1919 is a well marked milestone in all human history for more reasons than just prophecy fulfilling.

2. United Nations 1945 as Revelation 17:8-11 Fulfilling - The Initial Sovereign Picture is Fully Founded in Revelation Meaning

A. Thus by the time the second United Nations (UN) presentation manifested in 1945 after WW2, that event fulfilling prophecy could be seen in foresight as well as hindsight, and that set the initial era of JW development of sovereign prophetic explanation upon a great verification of Revelation 13 and 17 prophecy with two great forming world government presentations after two world war periods were resolved as the formulaic process of such UN presentations was also becoming obvious.

(Revelation 17:8-11) The wild beast that you saw was, but is not, and yet is about to ascend out of the abyss, and it is to go off into destruction. And when they see how the wild beast was, but is not, and yet will be present, those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world. 9 "Here is where the intelligence that has wisdom comes in: The seven heads mean seven mountains, where the woman sits on top. 10 And there are seven kings: five have fallen, one is, the other has not yet arrived, but when he does arrive he must remain a short while. 11 And the wild beast that was but is not, it is also itself an eighth [king], but springs from the seven, and it goes off into destruction.

(Revelation 17:8) The (globalization form; scarlet) wild beast that you saw was (League of Nations globalizing form of wildbeast 1919-1939), but is not (went down in 1939 and WW2), and yet is about to ascend out of the abyss (ascends as United Nations 1945 after WW2) and it is to go off into destruction. (Daniel 11:30-45 final two UN placements); And when they see how the wild beast was (League of Nations), but is not (WW2 impotence), and yet will be present (United Nations), those who dwell on the earth will wonder admiringly, but their names have not been written upon the scroll of life from the founding of the world. (8th King presents world government renditions after a world war is resolved for maximum positive "peace" and recovery effect) 9 "Here is where the intelligence that has wisdom comes in: The seven heads mean seven mountains (national power peaks over time), where the woman sits on top. 10 And there are seven kings: five have fallen (Egypt, Assyria, Babylon, Medo-Persia, Greece), one is (Rome), the other has not yet arrived (Anglo-American national power), but when he does arrive he must remain a short while. 11 And the wild beast that was but is not, it is also itself an eighth [king] (globalist world power), but springs from the seven (national power progression of Rev13:1; Dan2,7,8) and it goes off into destruction. (after 4th UN placement as full 8th King world government; Dan11:45; Dan8:25; Dan12:11 final fulfillment);

B. That also defined the central theme of the opposing 8th King power system for the JW ministry after 1945 UN events for an initial valid ministry, well backed by world events continuing the Kingdom ministry and it's reliable UN tracking prophetic awareness. It also connects Daniel 2, 7, 8 and 11 sovereign progression from a national "seven headed" wildbeast formation to it's totality as 8th King *globalization* leading to world government.

C. Thus the globalized nature of the 8th King beyond the mere UN "image" meaning and function, with in time additional worldwide scope of world government, is a critical final detail of final 8th King development over a required fourth and final phase. And this whole post 1990 UN development is also what Bethel covers-up in addition to covered up prophecy, with also a non-existent globalization commentary related to

final 8th King world government development evidence.

Anything and everything 8th King and world government related is all concealed by Bethel with no public commentary to the point of an engineered globalization ignorance so great and so long held it must be purposeful.

D. This is why examining JW developmental details after 1945 is so important. The 3rd UN manifestation after a unique WW3 Cold War was resolved in 1990 in the same formulaic process as the first two UN placements was quite significant. Yet that UN development as obvious 8th King activity in Daniel 11 is now not tracked by the Bethel ministry, in fact it is covered over.

E. And worse, Bethel joined the UN in that 3rd UN manifestation as UN NGO, now a Bethel official UN co-promotional organization publicly known globally. And worse still, they cover up Daniel 8 and 11 8th King parallel fulfilling developments for various forms of the Bethel WW2 era fictions, all at the same time. That Bethel also fulfills these critical apostasy co-developments live and real-time with this 8th King cover-up is now required in the manifestation itself.

F. A major problem has developed internal to the JW organization and it's Kingdom ministry now defunct. Thus post 1945 JWs, who used to expose UN development as prophecy must contain the clues of the modern full Bethel diversion of that Kingdom ministry by 1990. It will be shown by such subversion the final two of four UN placements are being purposely concealed by the Bethel organized apostates.

And that diversion climaxing in 1990 conceals the UN 1-2-3-4 guaranteed development continuum in prophecy to Armageddon, thus losing track of that importance renders the modern JW ministry now invalid, in fact misleading - yet still fulfilling key prophecy now as signal Bethel apostasy and the final modern "man of lawlessness" revealing in direct connection with the 8th King.

Final 8th King Cycle Connection of 3rd and 4th UN Placements

1. Understanding Revelation 17:8-11 as second UN placement is crucial because it leads to a progressive finale development in time to climax from the 3rd UN placement to the 4th UN placement as this connected culmination:

(Revelation 17:12-18) "And the ten horns that you saw mean ten kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the wild beast. 13 These have one thought, and so they give their power and authority to the wild beast. 14 These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him [will do so]. 15 And he says to me: "The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues. 16 And the ten horns that you saw, and the wild beast, these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire. 17 For God put [it] into their hearts to carry out his thought, even to carry out [their] one thought by giving their kingdom to the wild beast, until the words of God will have been accomplished. 18 And the woman whom you saw means the great city that has a kingdom over the kings of the earth?"

(Revelation 17:11-18) And the wild beast that was but is not, it is also itself an (globalist) eighth [king], but springs from the seven, and it goes off into destruction. 12 "And the ten horns that you saw mean

ten (national) kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the (globalist) wild beast. 13 These have one thought (sovereign expansion and or preservation), and so they give their (national based) power and authority to the (globalist apex forming) wild beast. 14 These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him [will do so]? 15 And he says to me: "The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues. 16 And the ten horns (national powers) that you saw, and the wild beast (globalist power), these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire.(absorbing religious sovereignty and assets)17 For God put [it] into their hearts to carry out his thought, even to carry out [their] one thought by giving their(national based) kingdom to the (globalist ascendant) wild beast, until the words of God will have been accomplished. 18 And the woman whom you saw means the great city that has a kingdom over the kings of the earth." (the target religious sovereignty);

2. Which sovereign 8th King climax parallels this finale consolidation of international globalized world power:

(Revelation 16:12-16) And the sixth one poured out his bowl upon the great river Euphrates, and its water was dried up, that the way might be prepared for the kings from the rising of the sun. 13 And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. 14 They are, in fact, expressions inspired by demons and perform signs , and they go forth to the kings of the entire inhabited earth, to gather them together to the war of the great day of God the Almighty. 15"Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness?" 16 And they gathered them together to the place that is called in Hebrew Har-Magedon.

(Revelation 16:12-16) And the sixth one poured out his bowl upon the great river Euphrates(Parallels 6th trumpet), and its water was dried up, that the way might be prepared for the kings from the rising of the sun. (Babylon the Great being set-up for Revelation 17:15-17 parallel events by removal of human defenses (Rev17:15)) 13 And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. (complete 8th King globalist influence culminating)14 They are, in fact, expressions inspired by demons and perform signs (globalization is the main "gathering" principle and development to lead to world government m power consolidation), and they go forth to the (national) kings of the entire inhabited earth (culminating in this final period) to gather them together (globalization to world government)to the war of the great day of God the Almighty.(the earthly sovereign resolution, parallels Revelation 17:12-18 and Daniel 11:42-43 culminations into globalist 8th King power as world government)15 "Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness?" 16 And they gathered them (by Dan11:42-43 and Rev17:11-17 8th King wealth and power globalization consolidations)together (into final 8th King world government globalist unification symbolized in completion by 4th UN "placement" and proclamations; parallel Dan11:45; Dan8:25)to the place that is called in Hebrew Har-Magedon. (Joel 3:9-17; Zeph3:8-9; Dan2:31-45);

3. Thus those progressive developments with plenty of specialized research now available to illustrate financial, military and government evolutions supporting globalization as a progressive process leading to world government "crystallization" are now also concealed from Bethel teaching in the loss of the 3rd and 4th UN placements connection to this final sovereign sequence.

A. That purposeful retarding of JW world globalization understanding further aids concealment of 8th King world governmental development since 1990, and it's final stages of globalization as a process requiring a final phase of development to also be shown foretold by prophecy - and logical in four total UN developments in world history.

4. Accordingly that diversion of JW understanding, in marked manner since 1990, has also truncated the JW awareness of the final 3rd and 4th UN placement continuum of Daniel 11:30-45 that provides the developmental background since 1990 of those final culminations as evidenced in globalization developments in many sectors of world power.

A. It also disconnects the progressive first two UN placements from this required UN 3-to-UN 4 continuum (Dan11:36) that could be easily recognized as four UN placements foretold in Bible prophecy if this logical, prophetic and historical connection was made. ((1) 1919 Rev13:11-15; Dan12:11 (first) (2) 1945 Rev17:8-11; (3) 1990 Dan11:31; (4) Future Dan11:45; Dan8:25; Dan12:11 (final));

5. The final 4th UN world developmental drive to full world government of Daniel 11:42-45 is also concealed as to modern and future significance by this Bethel based subversion aided by erred theological interpretation of Daniel 8 and 11 as WW2 era and USSR misapplications as the primary smokescreen to conceal the 1990 3rd UN placement significance in prophecy and world globalization developments that followed.

Worldwide Wealth and Financial Compromise

1. Thus as multi-hundred-trillion dollar worldwide national debt and unfunded liabilities condition sets up a global financial meltdown of some sort aiding the Daniel 11:42-43 8th King wealth globalization process soon to activate, Bethel says absolutely nothing regarding this obvious connection of modern national debt compromise and future prophetic meaning in this straightforward 8th King prophecy:

(Daniel 11:42-43) And he (8th King/King North) will keep thrusting out his hand against the(national) lands; and as regards the land of Egypt(collective national powers; King South "capital"),she (feminized King South) will not prove to be an escapee. (captured by globalist power intrigues of first a financial nature:) **43 And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt.***(Thus 8th King/King North rules the world wealth, wealth system and all "desirable things" of collective global national "Egypt" "King South" powers in full globalist progressive ownership);*

All these developments must occur in that Daniel 11:42-45 future final portion fulfilling in the overall Daniel 11:30-45 3rd and 4th UN placement continuum now concealed by apostate Bethel.

Critical Diversion Point in 1990 Third United Nations Placement Time Period

1. This prophecy actually leads to the 1990 3rd UN placement and the apostate Bethel background development with 8th King (King North) connections:

(Daniel 11:30-31) "And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy

covenant. 31 And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant [feature].“And they will certainly put in place the disgusting thing that is causing desolation.

(Daniel 11:30-31) “And he (8th King/King North) will actually go back and hurl denunciations against the holy covenant and act effectively(produces a successful operation Dan8:12b); and he (8th King) will have to go back and will give consideration to those leaving the holy covenant(anointed core defection at Bethel aids internal 8th King access)31 (Bethel subversion:)And there will be arms that will stand up (at Bethel; Dan11:41; Luke21:20), proceeding from him(8th King planners); and they (collusion) will actually profane the sanctuary, the fortress, and remove the constant [feature](3rd UN placement 1990:) “And they (team effort) will certainly put in place the disgusting thing that is causing desolation. (3rd UN placement, 1990; UN NGO, 1991, at Bethel; Matt24:15; Dan8:13 "transgression causing desolation");

2. The key clues are as identified by the Bible prophecy itself by prophetic details able to be compared to the accurate world events to reveal the actual fulfillment that fits ALL the prophetic criteria of Daniel 11:27-45; This diversion point and it's 1990 timing is critical in understanding the internal Bethel JW ministerial subversion operation and will be described in detail supporting the rationale covered above;

Main Bethel Apostate Signal Development Details - The Diverted Prophecy Describes it's Own Transgressors Live and Real-Time

1. This identification is helped by the fact that the prophetic truth the Governing Body (GB) are originally diverting attention away from in purposeful error also contains the prophecy of the diversion itself - in addition to several other informative details explicitly related to 8th King developmental covered up by the Governing Body *in joint operations with the 8th King*

(Daniel 11:30-31) “And he will actually go back and hurl denunciations against the holy covenant and act effectively; and he will have to go back and will give consideration to those leaving the holy covenant. 31 And there will be arms that will stand up, proceeding from him; and they will actually profane the sanctuary, the fortress, and remove the constant [feature].

2. This key to identifying the Bethel subversion operation features and evidence is in the Daniel 11 divine prophecy itself, identifying:

(1.) From who and where the apostasy originates and the interests it serves; (2.) How the diversion and transgression develops by anointed defection; (3.) What it is doing in serious transgressions while the prophecy is being fulfilled and why; (4.) and who participates in the "disgusting thing" placement. Prophetic details Identify ALL THREE parties of the transgression and the diversions as acting TOGETHER while in fulfillment:

(Daniel 11:30b-31a) . . .(1) “And he (8thKing/King North globalists)will actually go back and hurl denunciations against the holy covenant and act effectively(continual success - see Daniel 11:36b; Dan8:12b); (2) and he (8th King) will have to go back and will give consideration to those(JW Christian anointed defectors at Bethel)leaving the holy covenant. (anytime developing after 1919 determination of holy covenant location; Cannot be in Christendom);31a (3) And there will be (infiltrator subversion)arms that will stand up, proceeding from him;(8th King) and (4) they (team effort with 8th King, infiltrators (GB network), and original anointed defectors)will actually profane the sanctuary(temple arrangement

internally compromised; 2Thess2:3-4; Zech3:3) the fortress (JW organization internally compromised) and remove the constant [feature].(Truth profaned first, leading to eventual JW "constant feature" temporary cessation fully in temple judgment desolation;)

3. The climax of that 8th King developed "consideration" and pre-positioning internal to Bethel results in the Bethel UN NGO at the same time as the third UN placement of 1990:

The UN 3rd Placement of 1990-1991

(Daniel 11: 31b) "And THEY (8th King and Bethel collusion) will certainly put in place the disgusting thing that is causing desolation.(Placed in world as United Nations "New World Order" objective, 1990; placed at Bethel as UN NGO in 1991; Matt24:15);

2 Thessalonians 2:3 Parallel Apostasy Connection

1. And that development continues to compound as actual "King of the North" (8th King) strategists lead a gradual (Dan8:12) and compounding Bethel apostasy through this core anointed defection headed by the Governing Body, leading to the Bethel and factional subversion development:

(Daniel 11:32a) "And those who are acting wickedly against [the] covenant(which can be any JW now), he (8thKing/King North) will lead into apostasy(2Thess2:3) by means of smooth words...(modern Watchtowers are a good example of "smooth worded" error);**

(2 Thessalonians 2:3-4) . . .Let no one seduce you in any manner(such as Bethel), because it (temple judgment signal to start the overall judgment; 1Pet4:17) will not come unless the apostasy comes first and the man of lawlessness gets revealed, the son of destruction. 4 He is set in opposition.(and at Bethel in apostasy, and in modern form as the Governing Body "man of lawlessness" composite, that prerequisite is now fully met, and a global reproach; (2Pet2:1-3; Zech3:1-3));**

Modern Final Temple Judgment Parallel

1. Thus the temple judgment the Bethel apostasy is signaling is the unique Daniel 8:11-14 developmental parallel to the Daniel 11:30-31 apostate and 8th King events and timing. A scenario of gradual compromise of the ministerial JW "army" and it's 8th King influence also present in Daniel 11:30b-31 is covered in this prophecy which matches only one period in history marked by the UN NGO:

(Daniel 8:11-12) And all the way to the Prince of the army it put on great airs, and from him the constant [feature] was taken away, and the established place of his sanctuary was thrown down. 12 And an army itself was gradually given over, together with the constant [feature], because of transgression; and it kept throwing truth to the earth, and it acted and had success.

(Daniel 8:11-12) . . .And all the way to the Prince of the army it(8th King system) put on great airs, and from him (God) the constant [feature] was taken away (as Dan11:31a parallel), and the established place (Bethel JW worldwide organization)of his sanctuary was thrown down. (to finalize as "fortress" temple desolation) 12 And an (JW worldwide) army itself was gradually given over(to 8th King infiltrative

control), together with the constant [feature](imbibed with misinformation), because of transgression; (UN NGO and other sins permits allowance of the compromise by removed divine blessing and discernment while fulfillment of prophecy is effected for greater future purpose) and it kept throwing truth to the earth (cover up, misinformation), and it acted and had success. (Dan11:30 "act effectively" completely successful unlike anything World War 2 produced in ultimate failure when compared to this 8th King engineered intelligence and subversion operation deployed through the Governing Body and installed Bethel agents);

(Daniel 11:31b) “**And they will certainly put in place the *disgusting thing that is causing desolation*** (United Nations in New World Order mode 1990; Bethel UN NGO 1991); (Compare Daniel 8:13 "transgression causing desolation" to this termed "disgusting thing that is causing desolation" and it is obvious they are related in Bethel transgression (Dan11:31b) leading to Bethel desolation (Dan8:13-14) soon as judgment permitted for this transgression);

(Daniel 8:23) “**And in the final part of their kingdom**(as the 8th King nears world government completion), **as the transgressors act to a completion (the ones covered in Daniel 8:11-13 and Daniel 11:30-31), there will stand up**(from at least the 3rd UN placement)**a (globalizing) king fierce in countenance** (identical to 8th King and King North)**and understanding ambiguous sayings.**(advanced scientific and demonic understandings for progressive consolidation of world power);

2. Accordingly all those developments lead to a required judgment and purification in modern final form and provide the prerequisite signal apostasy for some paying attention to these events.

Modern Temple Judgment

(Daniel 8:13-14) **And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the constant [feature] and of the transgression causing desolation, to make both [the] holy place and [the] army things to trample on?”** 14 **So he said to me: “Until two thousand three hundred evenings [and] mornings; and [the] holy place will certainly be brought into its right condition?”**

Temple Indictment as UN NGO "Transgression" Related (Matt24:15);

(Daniel 8: 13) **And I got to hear a certain holy one speaking, and another holy one proceeded to say to the particular one who was speaking: “How long will the vision be of the**(profaned and subverted) **constant [feature](of JW ministerial offerings)and of the *transgression causing desolation* (UN NGO alliance and co-promotions fulfilling Daniel 11:31b)to make both [the] holy place**(temple "established place"; Dan8:11) **and [the] (JW worldwide) army things to trample on?”** (in 8th King "attack" aided temple desolation "fire" of Zechariah 3:2 and Revelation 8:3-5);

Timed Temple Judgment Period

(Daniel 8: 14) **So he said to me: “Until two thousand three hundred evenings**(desolation darkness symbol; Rev9 "abyss") **[and] mornings**(recovery enlightenment symbol)**; and [the] holy place will certainly be brought into its right condition?”** (Temple purification completed in this time period parallel Zechariah 3:4-5, Revelation 8:1-5);

1. If each "evening" and "morning" unit apply to the 2300 unit count individually this is 1150 days minimum temple judgment period; If this is 2300 "days" as "evening and morning", half of it may very well be in

"evening" further bedarkened condition (Hos6:1-3), leading to "morning" recovery of that symbol of "constant feature" sacrifice removed in this 2300 day period completing the temple judgment objective; (This activates Revelation 8 as temple judgment parallel);

2. This temple judgment event is the spiritual signal the final cycle has begun in earnest. The unique Daniel 11:42-43 8th King prophecy must activate as well as the continuing global context of the temple judgment development.

UN 1-2-3-4 Prophecy Tracking Broken

1. That diversion described above allows this 8th King progression prophecy of the near future activation to fall from the UN tracking ability since 3rd UN placement (1990; Dan11:31) for the current deceptive USSR truncation and fiction concerning all of Daniel 11:30-45 actual 8th King developments:

(Daniel 11:42-45) And he will keep thrusting out his hand against the lands; and as regards the land of Egypt, she will not prove to be an escapee. 43 And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. And the Libyans and the Ethiopians will be at his steps. 44 "But there will be reports that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction. 45 And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him.

2. And thus the whole UN continuum of development after 1945 is lost:

Preached by JWs:

UN 1. Placement 1 - 1919; Post World War 1; Revelation 13:14-15; (Daniel 12:11; first fulfillment)

UN 2. Placement 2 - 1945; Post World War 2; Revelation 17:8-11;

Not Known or Preached by JWs:

UN 3. Placement 3 - 1990; Post Cold World War 3; Daniel 11:31b; (Covered Up as Daniel 11:3-45 continuum);

UN 4. Placement 4 - Future; Post World War 4; Daniel 11:44-45 8th King entity parallel Daniel 8:23-25 as Daniel 12:11 final fulfillment);

3. Thus while in this Bethel based deception JWs expect a premature "end of the world", an overly advanced and premature Daniel 11:44 activation in some King North form of Bethel misapplication, and an out-of-sync bypass of the final 8th King globalization process itself (Dan11:42-43). Instead the final 8th King-to-world-government globalization culmination cycle towards world government in a final phase of world developments and prophecy is about to be *just beginning*.

4. JWs are now set up for a full bewildering and total derailment and the first ministerial destruction attempt in that final cycle as defined by the coming 8th King first "trampling" of the Daniel 8:13-14 temple judgment decree.

Next: The Final 8th King World Government Phase

Commencement of Daniel 11:42-43 World Finance Globalization Process

1. The next set of 8th King world intrigues is now unknown to JWs and the ministerial global audience as this prophecy is applied to a defunct and bankrupt USSR as fictional "King North". In fact this prophecy of global wealth and finance globalization can only be the 8th King globalist world power consolidation inception drive of the near future:

(Daniel 11:42-43) And he (8th King/King North) will keep thrusting out his hand against the(national) lands; and as regards the land of Egypt(collective national powers; King South "capital"),she (feminized King South) will not prove to be an escapee. (captured by globalist power intrigues of first a financial nature:) 43 And he will actually rule over the hidden treasures of the gold and the silver and over all the desirable things of Egypt. (Thus 8th King/King North rules the world wealth, wealth system and all "desirable things" of national "Egypt" "King South" powers in full globalist progressive ownership);

2. That wealth and power globalization process and sovereign certainty in time leads to the Daniel 11:44-45 8th King world government culmination.

Final 8th King World Government Completion

(Daniel 11:44) . . . "But there will be reports (little scroll recovered ministry messages) that will disturb him (8th King going into world government totality) out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction (Dan8:25 "bring many to ruin during a freedom from care" parallel of also 1Thess5:1-3 world "peace and security" period of 8th King world government placement (Dan12:11 final fulfillment));

1. This can only be an 8th King globalized final world governmental event globally presented:

(Daniel 11:45) And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; (plural palatial "tents" as earthly symbolism of UN distributed world government in 4th UN placement; parallel Daniel 12:11 final fulfillment) and he will have to come all the way to his end (Armageddon denunciation of Dan11:36), and there will be no helper for him. (King North as 8th King deposed (Dan7:26; 8:25);

(Daniel 12:11) "And from the time that the constant [feature] has been removed (in second two witnesses deposition of Rev11:7) and there has been a placing of the disgusting thing that is causing desolation (in fourth and final 8th King UN world government placement; Dan11:45; 8:25) there will be one thousand two hundred and ninety days. (time period of Christ completing the 144000, securing sheep and going into sovereign resolution of Armageddon divine war phase);

Apostasy and Lawlessness Now Identified as the Cause of JW Ministerial Subversion - A Required Divine Judgment and Ministerial Truth Recovery is Signaled

1. Accordingly from that actual prophetic sequence notable since 1990 with great evidence of Bethel

subversion the formerly accurate and valid JW ministry tracking two UN prophetic developments up through 1945, parallel to the Kingdom ministry, is derailed fully in 1990 diversion by Bethel purposeful error and cover up.

Temple Judgment Requirement Now Understood

2. This final apostasy indicates the final cycle is already started in that signal dimension in hidden ways that will lead to the final temple judgment phase. That temple judgment will start the final prophetic cycle to Armageddon, identifying the milestones enroute, the judgment timing, and the temple purification meaning of a ministerial clarification to result from the temple judgment desolation and recovery. (1Pet4:17; Dan8:13-14; Rev8:3-5; Mal3:1-5; Zech3:1-5; 2Thess2:8);

Ministerial Recovery

1. Since the Bethel apostasy is successfully diverting (Dan11:30b-31; Dan8:12) the former valid exposition of Messianic Kingdom and 8th King UN parallel development as prophecy and world events with modern developmental progressive fulfillment ignored and covered-up (Dan8:12b), such as the apostasy itself (Dan11:32a; 2Thess2:3-4), Bethel's UN NGO alliance (Dan11:31b; Dan8:13; Matt24:15) and key UN and globalization milestones (Dan11:36-39; Dan40-41), and a historic 3rd UN placement marker, that Christian ministry must be recovered by God and Christ.

2. Accordingly a temple judgment desolation (Zech3:2; Rev8:3-5; Dan8:13) will provide a purification (Dan8:14; Zech3:4-5) of the ministry by an anointed Christian judgment marked (1Pet4:17) and timed in prophecy (Dan8:14) to become a commencing signal and world event upon the Bethel "established place" associated environment of that former valid ministry to remove the apostasy and to clarify the final truth. (Rev8:3-5);

Final Warning to Develop

1. In the ministerial recovery (Rev9), to eventually explain the very things the Bethel subversion is concealing, there will come forth the final prophetic framework that must progress to the Messianic Kingdom and 8th King approximate concurrent completions for final sovereign resolution.

In time a final 1260 day final warning period must deploy as per prophecy, marked in progress and afterwards by more 8th King and Messianic Kingdom milestones prior to Armageddon.

2. The important objective is to establish the 8th King developmental progression of the final two UN placements in prophecy as reconnecting to the point of the first two UN placements formerly tracked properly by the JW worldwide ministry. That UN 1-2-3-4 progression is crucial since the 4th and final UN progress and placement is what marks the world trajectory to Armageddon. (See [UN 1-2-3-4 UN four phase article](#));

3. The final warning recovery period will also deploy an accelerated and progressive final Messianic Kingdom [completion](#) phase sovereign proclamation (the Rev10 "little scroll"), into a world tribulatory period developing again, but in final form, to be resolved as usual (Matt24:29), leading to the 4th UN placement.

A. As in the 1914-1918 Christian Kingdom birth phase ministerial deployment, into WW1, that arrived at the first UN related placement of 1919 as the League of Nations fulfilling Revelation 13:11-15 as Daniel 12:11's first fulfillment the final 8th King phase will repeat the same features in final forms.

4. Accordingly the final recovered Kingdom ministerial period will replicate the 1914-1918 Daniel 12 pattern and the initial fulfillment of the applicable Revelation prophecies that repeat, concerning sovereign [Kingdom completions](#) in final form. (Rev8-11; Rev15-16) The Daniel 8:13-14 JW temple judgment, meaning and timing is the final prophetic cycle commencement unique signal by events to initiate Revelation 8-11's progressive final fulfillment.

A. Revelation 8-11 "seven trumpets" deploys into Revelation 15-16 approximate parallel "seven plagues".

Key Issues of World Rulership as Final Globalization Process to Become Primary Focus of Final Recovered Ministry

1. Now the very 8th King and globalization developmental issues leading to 8th King world government, now being covered up by the Bethel apostate subversion by purposeful operations shown in prophecy, will become the main focus of those prophetic clarifications. Thus the 8th King completing world government certainty and the Messianic [Kingdom completion](#) certainty again will be the primary focus of that part of the clarification to emerge from the temple judgment purification.

Revelation 8-11 Final Fulfillment Sequence to Seventh Trumpet Messianic Kingdom Completion and Armageddon

Revelation 8 Final Fulfillment as Replication is Final Temple Judgment Sequence and It's Eventual Divine Pronouncements in First Four Trumpet Meaning Leading to Ministerial Truth Recovery

1. Revelation 8 which first fulfilled upon the overall Christendom "house of God" judgment resulting in a Christendom League of Nations endorsement and more darkness is now visited upon the more focused entity that came forth from that judgment as now Jehovah's Christian witnesses. Now Jehovah's witnesses with a similar UN NGO endorsing Bethel clergy will be the "house of God" for the final Revelation fulfillment cycle activating the whole "seven trumpet" continuum of Revelation 8-11 from that temple judgment commencement.

The import and logic that 1914-1918's fulfillment period and afterwards did not produce a final fulfillment reality of Christ's absolute world and universal rulership, but a warning preview of it, means a final fulfillment manifestation of the same prophecies will now occur to the actual finality of all events and entities.

2. Revelation 8-11 and Revelation 15-16 have an approximately parallel final fulfillment cycle in the Daniel 11:42-45 final 8th King cycle.

3. Daniel 8:14 (unique event and timing) and Daniel 12 (repeating) final fulfillment prophecy and timed periods underlay Revelation 8-11 seven trumpet and Revelation 16 seven plague sequences to Kingdom come and Armageddon.

Temple Judgment - Final Fulfillment Period

1. Thus the initial inspection and temple judgment on all of Christendom of the 1914-1919 period first fulfillment of Revelation 8 to identify the anointed body of that time to come forth progressively from it's broader context, will now apply to the far more focused anointed Christian temple in a required final fulfillment temple judgment on Jehovah's witnesses "earth" proper.

A. That will repeat the prophecy to clear out modern Bethel "weed" developments and thus prepare the truth clarification for the final phase alarms and heralded explanations (four trumpets (Rev8) into the next two (Rev9)) to the actual Messianic Kingdom completion (seventh trumpet) after the temple judgment desolation and purification timed event parallel of Daniel 8:13-14 as Revelation 8:1-6:

(Revelation 8:1-6) And when he opened the seventh seal, a silence occurred in heaven for about a half hour. (final phase preparation) 2 And I saw the seven angels that stand before God, and seven trumpets were given them. (not the herald yet, but the preparation) 3 And another angel arrived and stood at the altar, having a golden incense vessel; and a large quantity of incense was given him to offer it with the prayers of all the holy ones upon the golden altar that was before the throne. 4 And the smoke of the incense ascended from the hand of the angel with the prayers of the holy ones before God. (the temple judgment and purification meaning; Dan8:13-14 parallel: 5 But right away the angel took the incense vessel, and he filled it with some of the fire of the altar (the temple purification purpose meaning) and hurled it to the (temple specific) earth. (fire purification symbol of judgment; Zech3:2; Isa6:6-8; Mal3:1-3; Eze10) And thunders occurred and voices and lightnings and an (temple judgment marking JW "earthquake"; all other Revelation earthquakes are Kingdom completion meaning) earthquake. (the temple judgment signal) 6 And the seven angels with the seven trumpets prepared to blow them. (eventually the true explanation goes forth in the first four trumpet temple judgment explanations);

1 Peter 4:17, Daniel 8:14, Malachi 3:1-5, Zechariah 3:1-5 all have temple judgment parallels to the Revelation 8:3-5 final fulfillment meaning of temple judgment and purification.

2. When this final prophetic and world event cycle starts with the JW temple judgment it will not end until Armageddon Messianic Kingdom conquest of God and Jesus Christ. (Rev11:15-19; Rev16:12-19);

3. It is Jehovah's witnesses that are "trampled" first by the 8th King (Dan8:13), not Babylon the Great (Rev16:19; Rev14; Rev11:8-10). The world developments of Daniel 11:42-43 8th King world wealth intrigues provides the first 8th King "trampling" context of Revelation 8 commencement in final fulfillment as a 1-7 trumpet ordered sequence over some years.

A. The final 8th King "trampling" occurs after the Christian recovery period and final warning ministry is deployed for 1260 days (Rev11:7) successfully. Thus Revelation 8-11 contains both 8th King "tramplings" of Jehovah's witnesses overall ministry in the final sequence over some years leading to Armageddon.

B. Those two 8th King "tramplings" and the world tribulation to resolve between them as Matthew 24:29 that leads to a final 8th King placement as world government (Dan11:45; Dan8:25; Dan12:11), constitutes the ["tribulation of those days" spiritual meaning](#) upon spiritual Jerusalem in judgment and a completion of the "seven times" "appointed times of the nations" as the intimate Revelation 11 "holy city" "trampled" 2520 days divine decree in truly final form. (Dan7:25, 12:7 and Rev11:2-3 twice, 1914-1918 and the future final cycle);

First Trumpet - Comprehensive Temple Judgment Meaning of Purification

1. The first parallel is that all judgment "wheat" sifting and purges of "weeds" meanings in the initial fulfillmer

period (1914-1919) is soon to be a JW "earth"-wide temple purification (Zech3:1-5) with final meanings divinely backed for the preparatory clarification for the final ministerial recovery. (Mal3:1-5) These temple judgment explanations as "trumpet" alarm heralds come to JWs in the Daniel 8:14 "morning" phase of recovery as the Revelation 9 "abyss" "opens" to full enlightenment after the Daniel 8:14 "evening" phase of temple desolation (Hos6:1-2) is ending:

(Revelation 8:7) And the first one blew his trumpet. And there occurred a hail and fire mingled with blood (temple desolation explanation) and it was hurled to the (JW temple specific) earth; and a third of the earth was burned up (symbolic of comprehensive judgment), and a third of the trees was burned up, and all the green vegetation was burned up. (all "weeds" removed);

2. Thus the signal prelude judgment of JWs well before Armageddon must replicate the meaning of all the illustrations formerly applied to the Christendom judgment period of 1914-1919. Thus the "wheat and weeds" (Matt13:24-30; 36-42), the "ten virgins" (Matt25:1-13), the marriage garment frauds (Matt22:11-13), the faithful and evil slave (Matt24:45-51), and other illustrations of judgment determinations take place upon Christian anointed, and the whole JW "earth" system first, well before recovery, and the final ministerial warning, co-completions and Armageddon.

A. This reveals the Bethel "Babylon the Great attack next brothers!" is to be used to aid concealment of the true meaning of the JW organizational desolation to come as Daniel 8:13-14, also unknown to JWs organizationally.

3. Zechariah 3 parallel of temple purification:

(Zechariah 3:1-5) And he proceeded to show me Joshua the high priest standing before the angel of Jehovah, and Satan standing at his right hand (Bethel control) in order to resist (the anointed body) him. 2 Then [the angel of] Jehovah said to Satan: "Jehovah rebuke you, O Satan, yes, Jehovah rebuke you, he who is choosing Jerusalem! Is this one not a log snatched out of the fire?" (temple desolation parallel of first cleansing as per Rev8:3-5; Isa6:6-8; Mal3:1-4) 3 Now as for Joshua, he happened to be clothed in befouled garments and standing before the angel. (current profaned Bethel state as anointed reproach) 4 Then he answered and said to those standing before him: "Remove the befouled garments from upon him." (divine purification means; Isa66:6; 28:21) And he went on to say to him: "See, I have caused your error to pass away from upon you, and there is a clothing of you with robes of state?" (Dan8:14 temple and priesthood "right condition") 5 At that I said: "Let them put a clean turban upon his head." And they proceeded to put the clean turban upon his head and to clothe him with garments; and the angel of Jehovah was standing by. (Mal3:1-5);

Second Trumpet - Key World Government and Bethel Cover Up Issue

1. Now the very thing Bethel and misled Jehovah's witnesses are concealing in 8th King developmental meaning diverted by Bethel's "lawless one" brigade, will impact the worldwide JW congregation square in the heart of it's open communal "sea" with complete exposure of the now hidden central issue and it's core UN NGO transgression requiring judgment of the Daniel 8:13 "trampling" decree upon the JW worldwide two-master serving "organization".

2. The 8th King/King North identity in Daniel 11:30-45 at the heart of the progressive concealment of key 8th King prophecy and it's required unbroken continuation (Dan11:36), now the primary subversion target of the Bethel apostates, thus becomes the primary subject matter of part of the temple judgment explanatory

announcements eventually to lodge in the Revelation 10 "little scroll" overall message:

(Revelation 8:8-9) And the second angel blew his trumpet. And something like a great mountain burning with fire *(8th King issue reference)* **was hurled into the** *(JW) sea.* *(The 8th King cover-up and world government issue is revisited in the JW system)* **And a third of the sea became blood; 9 and a third of the creatures that are in the sea which have souls died, and a third of the boats were wrecked.** *(All 8th King internal operations in Bethel and the JW "earth" "sea" are purged out as core apostasy and it's effects in the JW ministerial communal "sea");*

2. Accordingly the very globalization development and world government issue now concealed at Bethel and it's clear historical outline since Governing Body "lifting themselves over everyone" in 1976 to the UN 3rd placement and 1990 period UN NGO and the continued effective diversion and stumbling campaign becomes known in accurate interpretation.

(1 Timothy 5:24-25) The sins of some men are publicly manifest, leading directly to judgment, but as for other men [their sins] also become manifest later. 25 In the same way also the fine works are publicly manifest and those that are otherwise cannot be kept hid.

A. That is all to be revealed in the recovered ministry within the very prophecies of Daniel 8:11-14 and Daniel 11:30-45 explained correctly, now concealed as parallel fulfillments that already described the 8th King progression and the Bethel apostasy as forming in collusion now to be fully explained globally.

3. In this way the first two UN placement tracking accuracy of the former valid JW ministry now broken, will be reconnected to the 3rd and 4th UN placement progression of Daniel 11:30-45 active fully since 1990 in marked 3rd UN placement and Bethel UN NGO manner prior to the 4th UN 8th King world government final placement of Daniel 11:44-45.

4. This UN 1-2-3-4 connection is being made and publicly known as the 8th King fourth UN placement finale approaches as Daniel 11:42-45 progresses, proceeding over time to merge into Daniel 12 "during that time" of final 8th King world government global intrigues and developments to completion.

Third Trumpet - Modern Final Apostasy

1. The core Bethel subversion source development of apostasy (Dan11:32a) and the modern "man of lawlessness" (2Thess2:1-4) Governing Body (GB) representation of required leading apostates and impostors is also part of the final temple judgment exposition in full explanation connected to this apostasy and it's effect on the modern JW Kingdom ministry:

(Revelation 8:10-11) And the third angel blew his trumpet. And a great star burning as a lamp *(core anointed defection that enabled the Bethel and GB impostors)* **fell from heaven** *(Bethel associated symbol of now defector anointed as represented by the "Governing Body" concept and "body"; Dan11:30b)* **and it fell upon a third of the rivers and upon the fountains of waters.** *(Bethel teachings profaned to a significant, but not total degree)* **11 And the name of the star is called Wormwood.** *(The true Governing Body nature of injustice)* **And a third of the waters turned into wormwood, and many of the men died from the waters, because these had been made bitter.** *(the apostasy, in time progressively, negatively affects the JW teachings and policies in a symbolic "1/3" degree to stumble people and aid the killing of sheep by organized "smooth words" lawlessness as Bethel policies);*

2. The co-developing injustice and stumbling effects are also implied in the prophecy describing the Bethel

progressive center of compromise finally judged and exposed. The JW growth rate plummet under the GB tenure is but more evidence the Daniel 11:41 stumbled are people, not "lands":

(Daniel 11:41) He (8th King) will also actually enter into the land of the Decoration (*anointed and Bethel environ*), and there will be many [*people*] that will be made to stumble. But these are the ones that will escape out of his hand, Edom and Moab and the main part of the sons of Ammon (*defectors, traitors and impostors escape*);

3. And that stumbling proceeds over the GB tenure as more and more "wormwood" entered the JW ministerial system as inquisitions and error stemming back to the GB initial "lifting themselves over everyone" of 1976 and no doubt earlier in pre-positioning required to achieve this effect until the temple judgment purification removes this error:

(Daniel 11:32-35) "And those who are acting wickedly against [the] covenant (*can be any Christian in the JW system now*), he (8th King and 8th King planning) will lead into apostasy (*2Thess2:3*) by means of smooth words. (*typical Bethel slippery rationale well worded and plausible*) But as regards the people who are knowing their God, they will prevail and act effectively (*eventually some Christians overcome the apostate error by recognizing it's modern "man of lawlessness" indication*) **33** And as regards those having insight among the people, they will impart understanding to the many. And they will certainly be made to stumble by sword and by flame, by captivity and by plundering, for [some] days (*the Daniel 11:30-31 8th King "arms that stand up" internal to Bethel provide spiritual meaning of sheep attacking Bethel policies developing for stumbling and testing some Christians affected by the Bethel "operation of error."*) **34** But when they are made to stumble they will be helped with a little help (*it will not be a complete coup*) and many will certainly join themselves to them by means of smoothness (*many insincere people are now claiming to be Jehovah's witnesses "flattered" by the Bethel erred and predatory atmosphere spreading to all the congregations*) **35** And some of those having insight will be made to stumble, in order to do a refining work because of them (*the divinely permitted "the lie" and the "operation of error" tests true Christian resolve completely in spiritual ways of discerning truth and error*) and to do a cleansing and to do a whitening, until the time of [the] end (*as temple judgment will indeed signal the final phase of Adamic history and "the end" to actually arrive soon thereafter; Matt24:6, 14*) because it is yet for the time appointed. (*The "appointed time" is the temple judgment and purification period of Daniel 8:14 that will fully end this rogue apostate Bethel period. A signal of the final prophetic cycle forms instead, as does the basis of the recovery in valid explanations of what was really going on internal to Bethel's apostasy to be exposed and "revealed" in the very prophecies they now cover up. (2Thess 2:8 "revelation" and removal)*);

4. Thus Daniel 11:30-31 and 32-35 actually overlay and merge in meaning over an extended period of time marked by the Governing Body coup but marked fully by the UN NGO Daniel 11:31b fulfillment.

5. As covered earlier the very "governing body" concept to corporatize a central lawless controlling "body" under a veneer of assumed divine authority and scriptural credibility is the basis of "the lie" that produced the main Bethel "operation of error" that resulted in more transgression and more lies from Bethel in organized fashion as this early rooted control concept took form in the Christian ministry.

(2 Thessalonians 2:11-12) So that is why God lets an operation of error (*the gradual Bethel apostasy*) go to them (the whole JW ministry collectively), that they may get to believing the lie (*originally the governing body concept that led to many more "lies"*) **12** in order that they all may be judged (*in the temple judgment for good and bad outcomes in repentance or removal*) because they did not believe the truth but took pleasure in unrighteousness. (*basically the collective JW mindset now accepts mass Bethel*

idolatries, UN NGO transgression and various sheep killing scripturally lying policies);

A. And that forms the adverse half of the basis of the coming temple judgment determination (Eze9; 9:16; Mal3:18) in now weed-like Bethel clones attached by this "smoothness" (Dan11:32; 33-35) amongst the many sincere Christians in the modern JW ministry globally also now communally included in the Revelation 8 "earth" temple judgment and affected by these core Bethel "lawless ones" for a few decades progressively.

It is permitted by God for future use to aid temple judgment and it's explanations in the final warning ministry to develop later as God turns the table on the Bethel apostasy.

4. Now the "evil slave" (defective anointed) and "man of lawlessness" (any impostor or defective Christian) aspects of the apostasy are embodied in the "Governing Body of Jehovah's Witnesses", guided by it and housed "in the temple" associated ministerial environment at Bethel now squelching all anointed "body of the Christ" "restraint" and insight in complete fashion in complete terminal spiritual ruination and subversion. (Matt24:45-51; 2Thess2:1-12);

(Matthew 24:48-51) But if ever that (Bethel and JW "earth") evil slave (Dan11:30b "those leaving the holy covenant" anointed defection) should say in his heart, 'My master is delaying,' 49 and should start to beat his fellow slaves (with the Bethel inquisition) and should eat and drink with the confirmed UN NGO) drunkards, 50 the master of that slave will come on a day (of the temple judgment) that he does not expect and in an hour that he does not know, 51 and will punish him...

5. That "punishment" comes as the Daniel 8:14 temple desolation "evening" phase of permitted and required JW organizational desolation ends into the "morning" phase of divine recovery and enlightenment. (Hos1:4-7; Zech3:2) In effect the Bethel apostasy is actually setting up the final signal phase of prophetic fulfillment as it's initial core feature to eventually be seen globally in their concealment attempts to highlight the very issues they attempt to divert attention away from.

In time everything Bethel has "swept under the rug" will be pulled out and examined in full detail for worldwide exposition.

Fourth Trumpet - Negatively Affected Kingdom Ministry

1. Now the unique nature of the Bethel apostasy as a gradual development (Dan8:12) of a unique 8th King related internal "consideration of those leaving the holy covenant" is seen in the overall affect it has gradually achieved in the JW Kingdom ministry by a "governing body" concept long accepted, but in basic error, since the 1940s.

A. That 1940s' root error and "governing body" assumption in Acts 15:1-33 one time counsel led to the 1990 UN NGO and more compound error in time. That erred concept from incept soon materialized into a "body" of lawlessness affecting now a symbolic "1/3" of the entire approximate 100 year Christian ministry as Jehovah's witnesses from IBSA foundations.

B. Thus the very GB development since 1976 in full coup, and it's 1980 "inquisition" of self protection, and the main Bethel backdrop of presumption and traditions is well imbibed into the JW collective psyche as valid as "the way it has always been". But in fact it is just an erred "1/3" duration development in the last part of the JW ministry:

(Revelation 8:12) And the fourth angel blew his trumpet. (the fourth trumpet of four as a comprehensive

*JW "earth" foursquare judgment pronouncement from God) **And a third of the sun was smitten and a third of the moon and a third of the stars, in order that a third of them might be darkened and the day might not have illumination for a third of it, and the night likewise**(the entire JW ministry of an approximate century affected for nearly 40 years of the "Governing Body" method of guidance and resulting progressive gradual (Dan8:12) apostasy and lawlessness now affects the approximate "1/3" of the overall JW Kingdom ministry duration negatively as also "1/3" profaned.);*

2. Thus the Revelation 8 temple judgment (Rev8:1-6) and exposure in first four trumpet overview already now connects, and will further interlink, the meanings of the Daniel 8:11-14 temple developments leading to judgment (Dan8:13 UN NGO "transgression causing desolation") and it's Daniel 11:30-35 counterpart developments.

A. Those Daniel 8:11-14 developments are the Daniel 11:30-35 parallel 8th King collusion events of the Bethel apostasy leading to the UN NGO covenant at the 3rd UN placement of 1990 (Dan11:31) subsequently concealed (Dan8:12b) from JW and world audience awareness.

3. It will take a timed temple judgment desolation "evening" of Daniel 8:14 prophetic description to enable the ministerial recovery period. It must be a divine deliverance principle in action, humans could not recover the Bethel formerly Christian ministry now in full masterful deceptive error and control. (Zech3:2);

JW Judgment Now Pictures World Judgment Later

1. Now the Jehovah's witnesses signal temple judgment well before final world judgment as contained in the Revelation 8 first four trumpet meanings upon Jehovah's witnesses "earth" will become a smaller pattern of a far larger world judgment to follow this signal judgment desolation (Dan8:13) in time:

(1 Peter 4:17) For it is the appointed time for the(overall world) judgment to start with the house of God (as the JW temple judgment), Now if it starts first with us(prior to world judgment and Armageddon divine war), what will the end be of those who are not obedient to the good news of God?(this is a question, due to the recovery ministry many in the world system will benefit from the JW signal judgment and understand it is signaling the actual arrival of Christ over a final prophetic replication period to be made known as "little scroll" import; Rev10:11; Rev11:13);

2. Now the "weed and wheat" JW judgment is a snapshot of the "sheep and goat" world judgment to come later. Now the globalist controlled Bethel "Nineveh" desolation is a picture of the complete removal of the 8th King "Nineveh" system at Armageddon. Now Babylon Bethel is a preview of what will come later on Babylon the Great.

A. Now Jehovah's witnesses went through a focused temple judgment originally previewed in the 1914-1919 period of the 1919-1926 proclamations of the Christendom judgment of Revelation 8-9's first fulfillment.

3. And in all those symbolic systems of real world groups a final call for repentance and separation will result from the Christian recovery ministry that must come forth from the JW ministerial "ashes" (Zech3:2) before the 8th King completes world government and Christ actually arrives.

4. It all forms a convincing final warning truth and a final warning recovery ministry (Rev9-10) once the Bethel apostasy is deposed fully by God and it's "lawless one" "Governing Body" and Bethel clerics of error is brought to nothing. (2Thess2:8 occurs in Revelation 8 temple judgment post-desolation recovery purification);

Revelation 9 Final Fulfillment is Temple Recovery Fifth and Sixth Trumpets' Meaning of Ministerial Recovery Deployments Merging into Revelation 10-11 "Little Scroll" and Final "Two Witnesses" Commission and Deployment

Fifth Trumpet Temple and Anointed Ministerial Recovery

The Revelation 9 fifth and sixth trumpet, as in the 1919-1926 fulfillment recovery preview period, describe now a second recovered anointed Christian ministry deploying globally with now a final Kingdom completion phase warning composed of post-temple judgment purified Christians and a truthful final message soon affecting all approved and recovered Jehovah's witnesses. That Revelation 9 ministerial deployment must merge into Revelation 10 "little scroll" official divine commission and the final Revelation 11 second "two witnesses" 1260 day final sovereign warning of God and Christ as ultimate "two witnesses".

1. The anointed pattern of the first fulfillment of Revelation 9 now takes on final temple judgment recovery and final anointed meaning:

(Revelation 9:1-4) And the fifth angel blew his trumpet. And I saw a star that had fallen from heaven to the earth, and the key of the pit of the abyss*(of temple judgment desolation as Dan8:14 "evening" darkness phase on all JWs) was given him. (The angel of the covenant)***2 And he opened the pit of the abyss***(Dan8:14 "morning" recovery phase), and smoke ascended out of the pit as the smoke of a great furnace, and the sun was darkened, also the air, by the smoke of the pit.**(the world sees the JW desolation signal and eventually it's ominous meaning becomes known)***3 And out of the smoke***(of temple judgment desolation)***locusts***(judgment is on anointed "locusts" as the primary temple judgment target)***came forth upon the earth; (a prelude ministerial recovery deployment takes place to merge into Rev10-11 and authority was given them, the same authority as the scorpions of the earth have. 4 And they were told to harm no vegetation of the earth nor any green thing nor any tree***(judgment approved JWs being recovered), but only those men who do not have the seal of God on their foreheads.**(fraud non-sealed anointed judgment portion proceeds in news of overall judgment certainty; The five foolish virgins picture defective and fraud "I never knew you" anointed Christians; (Matt25:1-13));*

2. The exposure from that ministry deploying is a fifth plague parallel of the 8th King exposure in the recovered ministerial explanations of the second trumpet 8th King meaning and it's Bethel apostate and Governing Body exposure and expulsion as 8th King tools. Their exposure to world light by God is their now darkness:

(Revelation 16:10-11) And the fifth one poured out his bowl upon the throne of the wild beast. And its kingdom became darkened*(by fifth trumpet truth exposure and implications,)***and they began to gnaw their tongues for [their] pain, 11 but they blasphemed the God of heaven for their pains and for their ulcers, and they did not repent of their works. (this shows the plagues are Haggai 2:7 global "rocking's" intended to inspire repentance in some, but not all, people.**

(Revelation 16:9) but they blasphemed the name of God, who has the authority over these plagues, and they did not repent so as to give glory to him.

(Haggai 2:7) “And I will rock all the nations(*Rev16 final fulfillment context*), and the desirable things of all the nations must come in; and I will fill this house with glory, Jehovah of armies has said.

Sixth Trumpet Temple and Comprehensive Ministerial Recovery

1. A comprehensive final ministerial deployment now includes all approved Christians joining globally from anywhere in the global system, not just Jehovah's witnesses recovered, into the final Kingdom completion invitational and warning proclamation as per the original fulfillment meaning:

(Revelation 9:13-16) And the sixth angel blew his trumpet. And I heard one voice out of the horns of the golden altar that is before God 14 say to the sixth angel, who had the trumpet:“Untie the four angels that are bound at the great river Euphrates?” (*parallels by that time the Revelation 16:12 sixth plague in "Euphrates" connection*)**15 And the four angels were untied, who have been prepared for the hour and day and month and year, to kill a third of the men.**(*the temple trespassers continued accounting*)**16 And the number of the armies of cavalry was two myriads of myriads: I heard the number of them.** (*earth sheep join the final ministerial deployment merging into Revelation 10-11*);

2. This temple ministerial recovery will thus span the Daniel 8:14 timing in whatever way it manifests in timing to lead into the Revelation 10 full ministerial commission preparing to deploy as God's final 1260 day timed period. The sixth trumpet therefore contains all pre-seventh trumpet events and meanings of Revelation 9-11 that eventually deploys the final "two witnesses" worldwide Kingdom warning as the final Kingdom sovereign pronouncement of certain Kingdom completion and conquest of the "little scroll" final ministerial meaning.

Final Fulfillment Prophecy Repeats and Explained Before, During and After Final World Events

1. Thus for the first time in Christian history since 1914, rather than explain prophecy in hindsight upon world events that fit the pattern as in the 1914-1926 Daniel 12 initial fulfillment periods, the final cycle can be explained before it activates and can continue into the ministerial recovery period as the final warning "little scroll" content portion.

A. The 1914-1918 Daniel 12:7 initial timed period of the Revelation 11:2-3 first fulfillment parallel of that first Christian ministry of the modern era already provides the master prophetic pattern that led over that Kingdom proclamation of that period to the first League of Nations manifestation as concurrent prophetic fulfillment.

B. Now the final 8th King completion cycle will also be active during the final Kingdom proclamation period of the Messianic Kingdom completion phase, just as the 1914-1918 first Christian ministerial period announced the Messianic Kingdom "birth" phase in time with greater clarification. The same features of the 1914-1918 period of a Kingdom proclamation during a world tribulation (WW1) to an 8th King manifestation will now repeat in final forms of all those features to arrive again at Daniel 12 and Daniel 12:7 and 12:11 replications in final fulfillment.

2. This is why the current JW ministerial stall is also concealing a final cycle requirement and the awareness of this repeating principle of Daniel 12, Revelation 8-11 and Revelation 15-16 as repeating prophecies. The unique temple judgment timed period and events of Daniel 8:13-14 in the context of the unique final 8th King cycle of Daniel 11:42-45 is the segway events to mark the final cycle as actually fully activated as the Revelation 8-11 final sequence proceeds over the Daniel 12 final fulfillment timed periods.

3. And this is why a ministerial recovery from a temple judgment desolation to remove the Bethel well rooted apostates is required and guaranteed to signal the final phase activation in earnest amidst a world tribulation prelude beginning in the Daniel 11:42-43 context. That provides the world plagues of Revelation 15-16 context of development, and the seven trumpets of the temple judgment, purification (Rev8), recovery (Rev9) and final ministerial deployment (Rev10) to Kingdom come. (Rev11);

Revelation 10 Final 1260 Day Ministerial "Little Scroll" Commission

1. The Messianic Kingdom completion certainty is to be fully explained prior to it's seventh trumpet event:

(Revelation 10:5-7) And the angel that I saw standing on the sea and on the earth raised his right hand to heaven, 6 and by the One who lives forever and ever, who created the heaven and the things in it and the earth and the things in it and the sea and the things in it, he swore: "There will be no delay any longer; (Messianic Kingdom completion directive warning)7 but in the days of the sounding of the seventh angel, when he is about to blow his trumpet(not yet heralded into Kingdom completion), the sacred secret of God according to the good news which he declared to his own slaves the prophets is indeed brought to a finish." (the entire prophetic truth framework is completed in understanding and heralded to the conclusion of final 1260 day warning period to manifest into actual Messianic Kingdom completion as the main "little scroll" subject matter);

2. The short "little" but powerful "scroll" final ministry as "little scroll" is commissioned and delivered by God through Christ for the final Kingdom completion sovereign warning as eventually the import of the "two witnesses" final Kingdom ministerial period of 1260 days:

(Revelation 10:8-10) And the voice that I heard out of heaven is speaking again with me and saying: "Go, take the opened scroll that is in the hand of the angel who is standing on the sea and on the earth." (the final ministerial commission and accelerated full understanding is given to the "two witnesses" symbolic apostle John class)9 And I went away to the angel and told him to give me the little scroll. (Zech3:6-7) And he said to me: "Take it and eat it up, and it will make your belly bitter, but in your mouth it will be sweet as honey?" 10 And I took the little scroll out of the hand of the angel and ate it up, and in my mouth it was sweet as honey; but when I had eaten it up, my belly was made bitter.(final Kingdom ministerial mission accepted);

3. That "two witnesses" is actually two witnessings of Kingdom sovereign meaning as certain:

(Revelation 10:11) And they say to me: "You must prophesy again (a second time of two witnesses deployment as prophecy) with regard to peoples and nations and tongues and many kings?" (a second "two witnesses must be deployed into another world tribulation for 1260 days as final Messianic Kingdom completion warning progressing into a final 8th King world government final UN placement.);

The first "two witnesses" proclaimed the Messianic Kingdom "birth" phase of 1914-1918. The second and last "two witnesses" "prophesy again" for the Messianic Kingdom completion phase of the future. Thereby two 1260 day periods of "holy city" "trampling" (Rev1:2) also will soon complete the 2520 days as "seven times" "appointed times" decree in final form.

4. Zechariah 3 final ministerial commission parallel:

(Zechariah 3:6-7) And the angel of Jehovah began to bear witness to Joshua, saying: 7“This is what Jehovah of armies has said, ‘If it is in my ways that you will walk, and if it is my obligation that you will keep, then also it will be you that will judge my house and also keep my courtyards; and I shall certainly give you free access among these who are standing by?’ *(Matt24:45-47 "faithful and discreet slave" designate final divine ultimatum as parallel of the "little scroll" and "two witnesses" final commission prior to global deployment)*

Revelation 11 Final Deployment of 1260 Day Messianic Kingdom Sovereign Final Warning

The Final 1260 Days Events

1. This final 1260 days of Messianic Kingdom completion final warning completes the "seven times" 2520 day related ministerial period to be marked by a final 8th King "trampling" of the "holy city" (Rev11:2) in this final Revelation 8-11 sequence started by the first 8th King "trampling" of the temple judgment desolation as Daniel 8:13-14 parallel of Revelation 8 temple judgment meaning.

2. Therefore this final ministerial warning period must develop some years after the temple judgment commencement, as Daniel 8:14 and an unknown Revelation 9 potential transition period to the final 1260 day period starting officially.

3. This ministerial deployment guarantee of God will lead to the Kingdom and temple 144000 completion over it's final warning deployment as first priority of Christ at his arrival:

(Revelation 11:1-4) And a reed like a rod *(guaranteed completion in disciplinary signal)* **was given me as he said: “Get up and measure** *(guaranteed completion to come)* **the temple [sanctuary] of God and the altar and those worshiping in it.** *(guaranteed completions of Rev7 temple (Rev7:1-8) and sheep groups (Rev7:9-17; Rev14:14-16; Matt25:31-40))* **2 But as for the courtyard that is outside the temple [sanctuary], cast it clear out and do not measure it, because it has been given to the nations, and they will trample the holy city underfoot for forty-two months** *(final "3.5" "appointed times" must complete full "seven times" as 2520 days)* **3 And I will cause my two witnesses to prophesy a thousand two hundred and sixty days dressed in sackcloth.”** *(second witnesses forms two witnessings to completion as final warning period; sackcloth is JW realization of the temple judgment meaning and the "little scroll" import)* **4 These are [symbolized by] the two olive trees** *(second "oil" surge)* **and the two lampstands** *(second enlightenment period)* **and are standing before the Lord of the earth.** *(Rev11 "two witnesses" connects to Zech4 temple completion as Rev11:19 complete "temple" certainty);*

2. Zechariah 3 final world portent of Messianic Kingdom completion parallel

(Zechariah 3:8-9) ““Hear, please, O Joshua the high priest, you and your companions who are sitting before you, for they are men [serving] as portents; for here I am bringing in my servant Sprout! 9 For, look! the stone *(Christ temple completion crown-stone)* **that I have put before Joshua! Upon the one stone there are seven eyes. Here I am engraving its engraving,** *is the utterance of Jehovah of armies,* **and I will take away the error of that land in one day.’**

3. Zechariah 4 final world portent of Messianic Kingdom completion and the "two witnesses" parallel:

(Zechariah 4:6-9) Accordingly he answered and said to me: “This is the word of Jehovah to Zerubbabel, saying, “Not by a military force, nor by power, but by my spirit,” Jehovah of armies has said. 7 Who are you, O great mountain? (8th King and Bethel Rev8:8-9 "burning mountain" apostate obstacle) Before Zerubbabel [you will become] a level land. And he will certainly bring forth the headstone. (The Christ King-Priest Kingdom and Temple "crown-stone" coronation; Zech6:9-15) There will be shoutings to it: “How charming! How charming! (two witnessings)”” 8 And the word of Jehovah continued to occur to me, saying: 9 “The very hands of Zerubbabel have laid the foundation of this house, and his own hands will finish [it]. (Temple completion guarantee);

(Zechariah 4:14) Accordingly he said: “These are the two anointed ones who are standing alongside the Lord of the whole earth.” (“two witnesses” connection as Zechariah 4 is a Kingdom/temple completion prophecy parallel of Revelation 11);

Final 8th King "Trampling" Completes after 1260 Days Completes

1. That "little scroll" is part of these disturbing "reports" that provoke the final 8th King reaction in his concurrent world government completion drive:

(Daniel 11:44) . . . “But there will be reports (little scroll recovered ministry messages) that will disturb him (8th King going into world government totality) out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction (Dan8:25 "bring many to ruin during a freedom from care" parallel of 1Thess5:1-3 world "peace and security" period of 8th King world government placement (Dan12:11 final fulfillment);

2. Which 8th King final resistance aids 144000 completion and this event marking Daniel 12:11 required features of "constant feature" removal and the final 8th King placement as world government in this ascension from the abyss of another world tribulation resolved:

(Revelation 11:7) And when they have finished their witnessing (1260 days completes), the wild beast that ascends out of the abyss (UN world government ascension from tribulatory cycle of Matt24:29 meaning) will make war with them and conquer them and kill them. (final ministerial warning ceased as 8th King final "trampling"; "appointed [seven] times" completes as 2520 days; Christ can arrive for final sheep separation and conquest, final warning has expired as 8th King completes the rival sovereign world government as also existent and stated as such. (1Thess5:1-3));

3. This "constant feature" removal in the parallel "two witnesses" deposition is part of the Daniel 12:11 1290 day commencement marking feature along with the 4th UN 8th King world government placement:

(Daniel 12:11) “And from the time that the constant [feature] has been removed (in second two witnesses deposition of Rev11:7) and there has been a placing of the disgusting thing that is causing desolation (in fourth and final 8th King UN world government placement; Dan11:45; 8:25) there will be one thousand two hundred and ninety days. (This period is eventually one of full earthling "sheep" divine protection and Christ "subduing in the midst of his [8th King and demonic] enemies" (Ps110) in their face, in final form, in co-completing Messianic Kingdom power prior to full conquest for sheep salvational purposes as Christ completes his own ministry that he also began; (Matt10:23);

4. This "two witnesses" post1260 days death state of ministerial cessation is the final symbolic transition period

to 144000 completion by Christ symbolized in the "3.5 days" death state. This period merges into the Daniel 12:11 1290 days for some unknown period of time to 14400 actual completion by Christ in the Matthew 24:29-31; Rev6:12-17; Rev16:17-18 arrival event:

(Revelation 11:8-10) And their corpses will be on the broad way of the great city(*Babylon the Great must still be existing as is Christendom annex "broad way"*)**which is in a spiritual sense called Sodom and Egypt, where their Lord was also impaled.** (*"outside" the spiritual "holy city" as it's remnant of completion; Rev6:9-11 "sword"; 1Thess4:17 "captivity" of Rev13:9-10 14400 "gathering" means and meaning*) **9 And those of the peoples and tribes and tongues and nations will look at their corpses for three and a half days** (*period just prior to Christ's arrival and the full 144000 completion*), **and they do not let their corpses be laid in a tomb. 10 And those dwelling on the earth rejoice over them and enjoy themselves, and they will send gifts to one another,** (*functioning world system*) **because these two prophets tormented those dwelling on the earth.**

5. Since the "two witnesses" are deploying into a tribulation that must resolve (Matt24:29) into concurrent 8th King world government world "peace and security" statement period and the "enjoy themselves, and they will send gifts to one another" as a global "freedom from care", this ministry leads to the fourth UN placement as world government totality.

A. This final cycle along Daniel 12:7 1260 day timing ending into Daniel 12:11 1290 days beginning is a parallel to the initial 1914-1918 1260 days that led to the first UN placement as the League of Nations "image" in 1919 as the initial Daniel 12:11 fulfillment of that period as the Revelation 13:11-15 "disgusting thing" parallel of that time.

B. In final fulfillment Daniel 12:11 repeats with the final cycle of prophecy in final fulfillment replication as Revelation 11:7 final fulfillment parallels and merges into Daniel 12:11 1290 days starting as the 8th King achieves world government *along with* it's UN "image" as a whole world rulership and stated world sovereignty; (1Thess5:1-3);

In this way Daniel 12:11 is arrived at in final form by the 4th UN placement as Daniel 11:45 and Daniel 8:25 parallels of that "disgusting thing" placement final event. In first fulfillment and in final fulfillment the 8th King winds up at Daniel 12:11.

6. Therefore the 8th King completion timing just precedes Christ's Messianic Kingdom completion and provides the completed 8th King rival sovereignty for God and Christ's Kingdom conquest. That 8th King must logically and prophetically complete prior to Christ's Kingdom conquest as the finally fully existent and stated target of that conquest. (Rev19:11-21);

Christ cannot arrive to depose an 8th King who does not yet exist in final form of world government power.

7. This is why the dual developmental parallels of 8th King and Messianic Kingdom final phase leading to a sovereign convergence, that could be explained by Bethel fully since 1990, are important to understand this final Armageddon trajectory guaranteed in these completing developments. And that must be explained upon the removal of Bethel's 8th King aiding liars.

Dual Kingdom Completion of 8th King and Messianic Kingdom

Daniel 12:11 1290 Days Starts and is in Progress as a Daniel 12 Timed Period of Christ's Arrival

1. Christ arrives to complete the 144000 heavenly group remnant "gathering" symbolized in the seventh trumpet finale meaning of Revelation 11:7-13. This Messianic Kingdom completion allows Christ's final King-Priest coronation event as Messianic Kingdom King of Zechariah 4:6-9 meaning parallel Zechariah 6:9-15 King-Priest final coronation parallel.

A. Prior to total Messianic Kingdom conquest Christ secures all the earth sheep under Kingdom protection before the final divine war phase; (Matt24:29-31 parallels into Matt25:31-46; Rev14:14-20 meaning of sheep separating judgment);

2. The Daniel 12:7 and Revelation 11:2-3 1260 day final warning period completes into Christ's arrival after the post 1260 days "3.5 days" "two witnesses" death period ends as the final transition to 144000 completion as Christ's first priority upon arrival.

3. This Christ arrival and it's Messianic Kingdom completion will be in the Daniel 12:11 1290 day period started by "constant feature" removal of Revelation 11:7 parallel and the fourth UN 8th King world government placement concurrence of Daniel 11:45 as the final fulfillment Daniel 12:11 "disgusting thing" placement event.

The "3.5" day "two witnesses" 144000 remnant ministerial death state of the symbolic "two witnesses" must proceed into that 1290 days for an unknown duration to the actual 144000 completion:

Messianic Kingdom Completion Prelude and Event

(Revelation 11:11-13) And after the three and a half days spirit of life from God entered into them, and they stood upon their feet, and great fear fell upon those beholding them. 12 And they heard a loud voice out of heaven say to them: "Come on up here." And they went up into heaven in the cloud, and their enemies beheld them. 13 And in that hour a great earthquake occurred, and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and gave glory to the God of heaven.

(Revelation 11:7-14) And when they have finished their (1260 days of) witnessing, the wild beast that ascends out of the abyss (as final world peace 8th King ascension into 4th UN placement) will make war with them and conquer them and kill them. 8 And their corpses will be on the broad way of the great city (BTG still present as final "great city" overall; Rev16:19-20) which is in a spiritual sense called Sodom and Egypt, where their Lord was also impaled. 9 And those of the peoples and tribes and tongues and nations will look at their corpses for three and a half days, and they do not let their corpses be laid in a tomb. 10 And those dwelling on the earth rejoice over them and enjoy themselves, and they will send gifts to one another, because these two prophets tormented those dwelling on the earth (thus some humans at that time are not in a tribulatory, but "freedom from care" condition) 11 And after the three and a half days (s symbolic final transition period to 144000 completion) spirit of life from God entered into them, and they stood upon their feet, and great fear fell upon those beholding them. 12 And they heard a loud voice out of heaven say to them: "Come on up here." And they went up into heaven in the cloud (same cloud as Matt24:30 "clouds"), and their enemies beheld them. (in the 8th King's face as Rev6:12-17) 13 And in that hour a great (temple/Kingdom completion) earthquake occurred, and a tenth of the city fell; and seven thousand persons were killed by the earthquake, and the rest became frightened and

gave glory to the God of heaven. (*effects some final repentance*) **14 The second woe is past. Look! The third woe is coming quickly.** (*leads to 7th trumpet finalization of full Messianic Kingdom conquest of the 8th King as earthly dominion of Christ (Rev19:19-21), and the universe from Satan and the demons (Rev20:1-3; Isa24:21-22)*);

7th Trumpet Messianic Kingdom Completion

1. And now the universal event the final Kingdom completion phase 1260 day final invitation and warning period was leading to.

Messianic Kingdom Completion Connection to Genesis 1:26-28 World Kingdom

(Revelation 11:15-17) And the seventh angel blew his trumpet. And loud voices occurred in heaven, saying: "The kingdom of the world (*earthly sovereignty secured under Messianic Kingdom*) **did become the kingdom of our Lord and of his Christ, and he will rule as king forever and ever?" 16 And the twenty-four elders who were seated before God upon their thrones fell upon their faces and worshiped God, 17 saying: "We thank you, Jehovah God, the Almighty, the One who is and who was, because you have taken your great power and begun ruling as king.**

World Judgment

(Revelation 11:18) But the nations became wrathful (*even to the final salvation and warning provision of God*), **and your own wrath came, and the appointed time for the dead to be judged, and to give [their] reward to your slaves the prophets and to the holy ones and to those fearing your name, the small and the great, and to bring to ruin those ruining the earth?"**

Temple Completion

(Revelation 11:19) And the temple (*Christ over all 144000*) **[sanctuary] of God that is in heaven was opened, and the ark of his covenant was seen in his temple [sanctuary]. And there occurred lightnings and voices and thunders and an earthquake** (*the kingdom completion "earthquake"*) **and a great hail.** (*The only time the word "temple" (Rev3:12) is used in Revelation prophecy from Revelation 6 forward is when all 144000 are complete under Christ. Revelation 11:1-2 is "temple" completion guarantee, Revelation 7:15, 11:19; 14:15,17 are all post 144000 completion.*;

Revelation 8-11 in Final Fulfillment Meanings

1. Revelation 8-11 is the longest prophetic continuum of continual fulfillment in the Bible. Daniel 11-12 is a multi-century initial fulfillment and final fulfillment Daniel 11:27-45 merging into Dan12:1-13 8th King and Messianic Kingdom continuum since 1990. In final fulfillment Daniel 8:13-14 and Daniel 11:42-45 thru Daniel 12:1-13 will be concurrent with Revelation 8-11 parallel Revelation 15-16 in seven trumpet order.

2. Thus a great final prophetic cycle is what will have activated in the JW temple judgment. Unlike the 1914-1918 initial fulfillment of Revelation 8-11 that started with a seventh trumpet "two witnesses" announcement and led later to the first six trumpets, the final fulfillment will be in the 1-7 trumpet and 1-7 plague order in sequence.

3. Revelation 11 contains "holy city", Kingdom and temple completion explicit details of "appointed times"

final events, conclusion, and the divine Messianic Kingdom sovereignty it will lead to finalized. The completion of the "Bride" "body" and the Kingdom "Court" of Christ's final world judgment can be cross referenced with Daniel 12:11-12 and Daniel 7:25-26 final fulfillment details.

4. Thus Revelation 8-11 is really the ultimate Kingdom completion prophecy in the Bible as far as details unfolding live and real-time over a seven trumpet gauged sequence purposed by God to mark the final progression to Armageddon.

5. This final progression progresses from temple judgment (Rev8; Dan8:13-14), to temple purification and ministerial recovery (Rev9-10; Zech3:1-7), to final 1260 day warning (Rev11:1-6; Dan7:25; Dan12:7), to final ministerial cessation (Rev11:7-10; Dan11:44-45; Dan8:25), to 8th King completion (Rev16:12-16; Dan12:11; Dan11:45; Dan8:25), to Christ arrival (Rev11:11-13; Matt24:29-31; Rev6:12-17), to final sheep securement (Rev14:14-16; Matt25:31-46) and Messianic Kingdom completion (Rev11:15-19) to Har-Magedon final divine war sovereign resolution. (Rev11:15-18; Rev19:11-21; Joel3:9-17; Dan2:31-45);

Messianic Kingdom Completion Significance

1. God's Kingdom (heavenly overall sovereignty) and the Messianic Kingdom (universal and earthly sovereignty) are different sovereign entities. Therefore completing all 144000 to complete the Messianic Kingdom, Temple, Court, Jerusalem Holy City, and Bride "body of the Christ" is required prior to that Kingdom also going into full sovereign power similar to the 8th King completion requirement and approximately concurrent with it.

2. In the 1914 significance of Revelation 6 and Revelation 8-16 foregleam preview fulfillment, Christ was Kinged as King of God's Kingdom, for the Messianic Kingdom (Rev12:1-10) was not even born yet. Even after that Messianic Kingdom was born, it was still incomplete. And this is why the two Kingdoms of God's Kingdom and Christ's Messianic Kingdom have different sovereign dominions, yet God's Kingdom will be God's Sovereignty in time over all things; (2Cor15:24-28):

(1 Corinthians 15:24-28) Next, the end, when he hands over the kingdom to his God and Father, when he has brought to nothing all government and all authority and power. 25 For he must rule as king until [God] has put all enemies under his feet. 26 As the last enemy, death is to be brought to nothing. 27 For [God] "subjected all things under his feet." But when he says that "all things have been subjected," it is evident that it is with the exception of the one who subjected all things to him. 28 But when all things will have been subjected to him, then the Son himself will also subject himself to the One who subjected all things to him, that God may be all things to everyone.

(Daniel 2:34-35) You kept on looking until a stone was cut out not by hands, and it struck the image on its feet of iron and of molded clay and crushed them. 35 At that time the iron, the molded clay, the copper, the silver and the gold were, all together, crushed and became like the chaff from the summer threshing floor, and the wind carried them away so that no trace at all was found of them. And as for the stone (*Messianic Kingdom*) that struck the image, it became a large mountain and filled the whole earth.

(Daniel 2:44-45) "And in the days of those kings the God of heaven will set up a kingdom that will never be brought to ruin. And the kingdom itself will not be passed on to any other people. It will crush and put an end to all these kingdoms, and it itself will stand to times indefinite; 45 forasmuch as you beheld that out of the mountain (*God's overall Kingdom*) a stone (*Messianic Kingdom*) was cut not by hands, and [that] it crushed the iron, the copper, the molded clay, the silver and the gold. The grand

God himself has made known to the king what is to occur after this. And the dream is reliable, and the interpretation of it is trustworthy?"

(Zechariah 6:1) Then I raised my eyes again and saw; and, look! there were four chariots coming forth from between two mountains (God's Kingdom and Christ's Messianic Kingdom) and the mountains were copper mountains.

Christ is Eternal Messianic Kingdom Heir (Psalm 2) and Truly Last Adam

(Psalm 2:6-9) [Saying:]“I, even I, have installed my king Upon Zion, my holy mountain.” (Rev14:1) 7 Let me refer to the decree of Jehovah; He has said to me:“You are my son; I, today, I have become your father. 8 Ask of me, that I may give nations as your inheritance And the ends of the earth as your own possession. 9 You will break them with an iron scepter, As though a potter’s vessel you will dash them to pieces.”

1. In time after mission accomplishment to the last detail of earthly restoration (Matt19:28; Rev21), Christ hands back God's Kingdom, for God can never be "Son of David" as Jesus Christ is forever also "Son of David" and final kingdom heir, to fulfill the Messianic Kingdom final King requirement of the Davidic Kingdom covenant. (2 Samuel 7:11-16; 1 Chronicles 17:7-14);

(Jeremiah 33:19-21) And the word of Jehovah came further to Jeremiah, saying: 20“This is what Jehovah has said, ‘If you people could break my covenant of the day and my covenant of the night, even in order for day and night not to occur in their time, 21 likewise could my own covenant be broken with David my servant so that he should not come to have a son ruling as king upon his throne;

2. God can also never be "last Adam". (1Cor15:45); Jesus Christ as "last Adam" also inherits all mankind (Ps2) as Eternal Father (Isa9:6), and the rightful "Kingdom of the World" King and blessing restorer (Rom8:18-22) for God.

3. The Matthew 19:28 "regeneration"; re-creation restores "all things made new" (Rev21:1-5) under the sinless King of kings and the "new Adam" new original perfect human in Jesus Christ to recover a new eternal life blessing (Ps133; Gen12:3; 22:17-18) currently lost in dead Satan, Adam and the woman's curse (Gen3:14-17).

4. This blessing is "recreated" in Jesus Christ for full restoration to God's "will done on earth" (Rev21-22; Eze47):

(Genesis 1:26-28) And God went on to say:“Let us make man in our image, according to our likeness, and let them have in subjection the fish of the sea and the flying creatures of the heavens and the domestic animals and all the earth and every moving animal that is moving upon the earth? 27 And God proceeded to create the man in his image, in God’s image he created him; male and female he created them. 28 Further, God blessed them and God said to them:“Be fruitful and become many and fill the earth and subdue it, and have in subjection the fish of the sea and the flying creatures of the heavens and every living creature that is moving upon the earth”

The 8th King Has Gotta Go

1. This is why Messianic Kingdom completion and impotent 8th King removal is the coming priority of God to begin making permanent positive changes to the earth undergoing ruination under demon and human

management. (Rev11:18); The 8th King is not divinely authorized but permitted temporarily, and is incapable of the wisdom and power of earthly and eternal life restoration. The "8th King" will also in time "die" with the Adamic curse of his many parts demon and human, but by the hand of Jesus Christ, one way or another, for God Almighty. (1Cor15:26; Heb2:14; Num24:17; Isa24:21-22; Isa27:1; Eze28:18; Rev20:10; Rev19:19-21);

2. The 8th King system will in time more fully stand in the way of God's will and purpose for earth, but will be deposed in due time by Christ's Messianic Kingdom sovereign power with full final fair warning.

8th King World Government Completion

1. The 8th King completes world government just prior to the Christ arrival. Christ's Messianic Kingdom completion and the 8th King completion is required prior to Christ's conquest because now complete global sovereigns will be fully complete.

2. This final 8th King identical "King of Fierce Countenance" event is that fourth and final UN world government placement:

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

(Daniel 8:25) And according to his *(globalist unique)* **insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs** *(world rulership of all power and authority definitions), and during a freedom from care* *(peace and security of 1Thess5:1-3)* **he will bring many to ruin.** *(an independently deployed 8th King one-sided attack; shows an 8th King ruination and a "freedom from care" are occurring simultaneously)* **And against the Prince of princes he will stand up** *(in fourth and final UN placement and proclamations), but it will be without hand that he will be broken.* *(destroyed by God's Kingdom at Armageddon; Dan2:31-45);*

3. This final 8th King identical "King of the North" event is that fourth and final UN world government placement:

(Daniel 11:44-45) "But there will be reports that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction. 45 And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him.

(Daniel 11:44-45) "But there will be reports that will disturb him, out of the sunrising and out of the north, and he will certainly go forth in a great rage in order to annihilate and to devote many to destruction. *(provides Rev11:7 8th King attack context; same "bring many to ruin" of Dan8:25)* **45 And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration** *(plural palatial "tents" as earthly symbolism of UN world government in 4th placement as counterfeit of God's Kingdom and at God's Zion "location" as the "holy city" of Rev11:2 is fully "trampled" the final time)* **and he will have to come all the way to his end** *(Armageddon denunciation of Dan11:36), and there will be no helper for him.* *(Satan goes down as Gog "guard" (Eze38:7) "from the remotest parts of the north" as well as Rev19:19-21 leads to Rev20:1-3);*

4. This final 8th King identical "disgusting thing" event is that fourth and final UN world government

placement:

(Daniel 12:11) “And from the time that the constant [feature] has been removed and there has been a placing of the disgusting thing that is causing desolation, there will be one thousand two hundred and ninety days.

(Daniel 12:11) “And from the time that the constant [feature] has been removed(*two witnesses killed; Rev11:7*) and there has been a placing of the disgusting thing that is causing desolation(*4th UN placement as world government*), there will be one thousand two hundred and ninety days.

5. Thus in final fulfillment the completed 8th King also arrives over Daniel 12:7 final developmental 1260 days of Revelation 13:5 principle to Daniel 12:11 final "disgusting thing" placement events as 8th King world government.

(Revelation 13:5-8) And a mouth speaking great things and blasphemies was given it, and authority to act forty-two months was given it.(repeating as final 1260 day parallel to Daniel 12:7; Rev11:2-3; Dan7:25) 6 And it opened its mouth in blasphemies against God, to blaspheme his name and his residence, even those residing in heaven. 7 And there was granted it to wage war with the holy ones and conquer them, and authority was given it over every tribe and people and tongue and nation. 8 And all those who dwell on the earth will worship it; the name of not one of them stands written in the scroll of life of the Lamb who was slaughtered, from the founding of the world.

Final 8th King Global Sovereign Statement Period

1. The Daniel 8:25 "freedom from care" parallels this required final 8th King world government final sovereign world peace statement period "whenever it is they are saying":

(1 Thessalonians 5:1-3) Now as for the times and the seasons, brothers, you need nothing to be written to you. 2 For you yourselves know quite well that Jehovah's day is coming exactly as a thief in the night. 3 Whenever it is that they are saying:“Peace and security!” then sudden destruction is to be instantly upon them just as the pang of distress upon a pregnant woman; and they will by no means escape.

2. At this time the required 8th King rival of Christ's Messianic Kingdom power will be complete and thus the Christ arrival for Kingdom conquest can proceed. Because the final two UN placements lead to this final 8th King completion event finale as a continuum since 1990 fully marked by world events it is described in the Daniel 11:30-45 sequence with manifestations since 1990 and the 3rd UN placement (Dan11:31) to the final cycle of the future as Daniel 11:42-45. That final Daniel 11:42-45 cycle is what merges into Daniel 12's final fulfillment "during that time" (Dan12:1) and the events outlined above at the end of that fourth and final 8th King UN cycle.

(Daniel 12:1) “And during that time Michael will stand up(*into Messianic Kingdom completion and final Christ coronation*), the great prince who is standing in behalf of the sons of your people. And there will certainly occur a time of distress(*final 8th King world tribulation cycle to be resolved into 8th King world government as per a fourth time occurring world-war-to-world-government formula*) such as has not been made to occur since there came to be a nation until that time.(*Matt24:29; Matt24:21-22*) And during that time (*as Dan11:42-43 proceeds to Dan11:44-45 finale 8th King events*) your people will escape, every one who is found written down in the book. (*The salvation of all the sheep of heavenly and earth group*

remnants);

3. That Daniel 12:1 overview covers events in the Daniel 12:7 and Daniel 12:11 to Daniel 12:12 timed periods in actual final fulfillment and final manifestation of God and Jesus Christ for Armageddon's final war phase for earthly ruling sovereign resolution.

4. Now that the 8th King is complete and ready (Joel3:9-17) for the divine war phase, Christ can commence his complete Messianic kingdom conquest upon an actually existent rival sovereign.

The United Nations is Not a World Government But Only the Central "Image" of It

Now we see how the current Bethel "UN is end all" delusion aids the final cycle concealment because the UN "image" is not itself a world sovereignty at the 8th King world government proportions and therefore not Christ's complete sovereign target.

1. In time the UN will be part of that 8th King world government to complete fully in the future. Currently the UN alone is thus not the target sovereign entity of Christ's Messianic Kingdom (also incomplete in only partial 144000), but and "image", a "picture", a "symbol" of that 8th King totality.

2. The UN provides the international forum hub around which world government does finally crystallize as the [final globalization process](#)(Dan11:42-45; Rev17:12-18) provides those actual world governmental administrations in complete form.

3. As we see as well in final cycle investigation the Messianic Kingdom also requires a final sovereign completion of all 144000 to enable the final coronation (Zech6:9-15; Ps110) and temple crown-stone (Zech4:6-9; Zech3:8-9) event of Jesus Christ fully Kinged by God as ultimate King-Priest of the Messianic Kingdom and it's divine Temple priesthood.

4. The concealment and diversion away from all these details is accomplished by Bethel abandoning the UN tracking assignment whose Daniel 11:30-45 final two UN placements would lead logically into a convergence into Daniel 12 in the 4th UN cycle. That explanation of this live progression since 1990 would also aid enlightenment of the final Messianic Kingdom cycle as well, (in Daniel 12 and Revelation 8-11 parallels) as concurrent with the final 8th King world government completion cycle.

Kingdom Come

1. In any event the simultaneous completions of the 8th King and Messianic Kingdom logically then converge to the final and permanent resolution of this sovereign issue, started in Eden, at Armageddon in the "war of the great day of God the Almighty".

(Matthew 6:9-10) ““Our Father in the heavens, let your name be sanctified. 10 Let your kingdom come. Let your will take place, as in heaven, also upon earth.

(Revelation 16:13-16) And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. 14 They are, in fact, expressions inspired by demons and perform signs, and they go forth to the kings of the entire inhabited earth, to gather them*(globalization is the primary "expression" of this*

final international consolidation together to the war of the great day of God the Almighty. 15 “Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness.” 16 And they gathered them together to the place that is called in Hebrew Har-Magedon.

(Revelation 19:11-18) And I saw the heaven opened, and, look! a white horse. And the one seated upon it is called Faithful and True, and he judges and carries on war in righteousness. *(Revelation 6 Christ white horse preview is now this reality as a second Christ white horse final reference at Armageddon; See [The Seven Seals](#) article)* 12 His eyes are a fiery flame, and upon his head are many diadems. He has a name written that no one knows but he himself, 13 and he is arrayed with an outer garment sprinkled with blood, and the name he is called is The Word of God. 14 Also, the armies that were in heaven were following him on white horses, and they were clothed in white, clean, fine linen. 15 And out of his mouth there protrudes a sharp long sword, that he may strike the nations with it, and he will shepherd them with a rod of iron. He treads too the winepress of the anger of the wrath of God the Almighty. 16 And upon his outer garment, even upon his thigh, he has a name written, King of kings and Lord of lords. 17 I saw also an angel standing in the sun, and he cried out with a loud voice and said to all the birds that fly in midheaven: “Come here, be gathered together to the great evening meal of God, 18 that you may eat the fleshy parts of kings and the fleshy parts of military commanders and the fleshy parts of strong men and the fleshy parts of horses and of those seated upon them, and the fleshy parts of all, of freemen as well as of slaves and of small ones and great!”

(Micah 5:4-5) “And he will certainly stand and do shepherding in the strength of Jehovah, in the superiority of the name of Jehovah his God. And they will certainly keep dwelling, for now he will be great as far as the ends of the earth. 5 And this one must become peace.

(Revelation 21:1-4) And I saw a new heaven and a new earth; for the former heaven and the former earth had passed away, and the sea is no more. 2 I saw also the holy city, New Jerusalem, coming down out of heaven from God and prepared as a bride adorned for her husband. 3 With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

Kingdom Completion Principle

(Daniel 7:25-26) And he will speak even words against the Most High, and he will harass continually the holy ones themselves of the Supreme One. And he will intend to change times and law *(globalization-to-world government completion as "new world ordering" to aiding globalized level legal redefinition)*, and they will be given into his hand for a time, and times and half a time *(1260 day parallel to Daniel 12:7; Rev11:2-3; Rev13:5 final marked wildbeast "authority" period concurrent)* 26 And the Court *(requires full 144000 completion of the Messianic Kingdom)* itself proceeded to sit, and his own rulership they finally took away, in order to annihilate [him] and to destroy [him] totally *(Armageddon conquest of Christ)*;

Sheep Separation

(Matthew 25:31-33) “When the Son of man arrives in his glory, and all the angels with him, then he will sit down on his glorious throne. *(Dan7:26 Christ "Court" parallel; requires full 144000 completion of*

the Messianic Kingdom) **32 And all the nations will be gathered before him, and he will separate people one from another, just as a shepherd separates the sheep from the goats. 33 And he will put the sheep on his right hand, but the goats on his left.**

(Revelation 14:14-20) And I saw, and, look! a white cloud, and upon the cloud someone seated like a son of man, with a golden crown on his head and a sharp sickle in his hand. 15 And another angel emerged from the temple [sanctuary], crying with a loud voice to the one seated on the cloud: "Put your sickle in and reap, because the hour has come to reap, for the harvest of the earth is thoroughly ripe." 16 And the one seated on the cloud thrust in his sickle on the earth, and the earth was reaped. 17 And still another angel emerged from the temple [sanctuary] that is in heaven, he, too, having a sharp sickle. 18 And still another angel emerged from the altar and he had authority over the fire. And he called out with a loud voice to the one that had the sharp sickle, saying: "Put your sharp sickle in and gather the clusters of the vine of the earth, because its grapes have become ripe?" 19 And the angel thrust his sickle into the earth and gathered the vine of the earth, and he hurled it into the great winepress of the anger of God. 20 And the winepress was trodden outside the city, and blood came out of the winepress as high up as the bridles of the horses, for a distance of a thousand six hundred furlongs.

Armageddon Prelude and Event

(Revelation 19:19-21) And I saw the wild beast and the kings of the earth and their armies gathered together to wage the war with the one seated on the horse and with his army. 20 And the wild beast was caught, and along with it the false prophet that performed in front of it the signs with which he misled those who received the mark of the wild beast and those who render worship to its image. While still alive, they both were hurled into the fiery lake that burns with sulphur. 21 But the rest were killed off with the long sword of the one seated on the horse, which [sword] proceeded out of his mouth. And all the birds were filled from the fleshy parts of them.

(Revelation 16:12-19) And the sixth one poured out his bowl upon the great river Euphrates, and its water was dried up, that the way might be prepared for the kings from the rising of the sun. 13 And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. 14 They are, in fact, expressions inspired by demons and perform signs, and they go forth to the kings of the entire inhabited earth, to gather them together to the war of the great day of God the Almighty. 15 "Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness?" 16 And they gathered them together to the place that is called in Hebrew Har-Magedon. 17 And the seventh one poured out his bowl upon the air. (Christ "air" event of 1Thess4:17 final comprehensive sheep gathering; parallel Matt24:29-31; Rev6:12-17; Jude14:14-15) At this a loud voice issued out of the sanctuary from the throne, saying: "It has come to pass!" 18 And lightnings and voices and thunders occurred, and a great earthquake occurred such as had not occurred since men came to be on the earth, so extensive an earthquake, so great. (Babylon the Great judged after 144000 completion:) 19 And the great city split into three parts, and the cities of the nations fell; and Babylon the Great was remembered in the sight of God, to give her the cup of the wine of the anger of his wrath.

(Zephaniah 3:8-9) "Therefore keep yourselves in expectation of me," is the utterance of Jehovah, "till the day of my rising up to [the] booty, for my judicial decision is to gather nations, for me to collect together kingdoms, in order to pour out upon them my denunciation, all my burning anger; for by the fire of my zeal all the earth will be devoured. 9 For then I shall give to peoples the change to a pure

language, in order for them all to call upon the name of Jehovah, in order to serve him shoulder to shoulder.’

(Daniel 2:31-36, 44-45) “You, O king, happened to be beholding, and, look! a certain immense image. That image, which was large and the brightness of which was extraordinary, was standing in front of you, and its appearance was dreadful. 32 As regards that image, its head was of good gold, its breasts and its arms were of silver, its belly and its thighs were of copper, 33 its legs were of iron, its feet were partly of iron and partly of molded clay. 34 You kept on looking until a stone was cut out not by hands, and it struck the image on its feet of iron and of molded clay and crushed them. 35 At that time the iron, the molded clay, the copper, the silver and the gold were, all together, crushed and became like the chaff from the summer threshing floor, and the wind carried them away so that no trace at all was found of them. And as for the stone that struck the image, it became a large mountain and filled the whole earth.... 44 “And in the days of those kings the God of heaven will set up a kingdom that will never be brought to ruin. And the kingdom itself will not be passed on to any other people. It will crush and put an end to all these kingdoms, and it itself will stand to times indefinite; 45 forasmuch as you beheld that out of the mountain a stone was cut not by hands, and [that] it crushed the iron, the copper, the molded clay, the silver and the gold. The grand God himself has made known to the king what is to occur after this. And the dream is reliable, and the interpretation of it is trustworthy’.

(Ezekiel 38:18-20) ““And it must occur in that day, in the day when Gog comes in upon the soil of Israel,’ is the utterance of the Sovereign Lord Jehovah, ‘that my rage will come up into my nose. 19 And in my ardor, in the fire of my fury, I shall have to speak. Surely in that day a great quaking will occur in the soil of Israel. 20 And because of me the fish of the sea and the flying creatures of the heavens and the wild beasts of the field and all the creeping things that are creeping on the ground and all mankind that are upon the surface of the ground will be bound to shiver, and the mountains will actually be thrown down and the steep ways will have to fall, and to the earth even every wall will fall.

(2 Peter 3:8-13) However, let this one fact not be escaping your notice, beloved ones, that one day is with Jehovah as a thousand years and a thousand years as one day. 9 Jehovah is not slow respecting his promise, as some people consider slowness, but he is patient with you because he does not desire any to be destroyed but desires all to attain to repentance. 10 Yet Jehovah’s day will come as a thief, in which the heavens will pass away with a hissing noise, but the elements being intensely hot will be dissolved, and earth and the works in it will be discovered. 11 Since all these things are thus to be dissolved, what sort of persons ought you to be in holy acts of conduct and deeds of godly devotion, 12 awaiting and keeping close in mind the presence of the day of Jehovah, through which [the] heavens being on fire will be dissolved and [the] elements being intensely hot will melt! 13 But there are new heavens and a new earth that we are awaiting according to his promise, and in these righteousness is to dwell.

(2 Thessalonians 1:6-10) This takes into account that it is righteous on God’s part to repay tribulation to those who make tribulation for you, 7 but, to you who suffer tribulation, relief along with us at the revelation of the Lord Jesus from heaven with his powerful angels 8 in a flaming fire, as he brings vengeance upon those who do not know God and those who do not obey the good news about our Lord Jesus. 9 These very ones will undergo the judicial punishment of everlasting destruction from before the Lord and from the glory of his strength, 10 at the time he comes to be glorified in connection with his holy ones and to be regarded in that day with wonder in connection with all those who exercised faith, because the witness we gave met with faith among you.

(Joel 3:9-17) “Proclaim this, you people, among the nations, ‘Sanctify war! Arouse the powerful men!

Let them draw near! Let them come up, all the men of war! 10 Beat your plowshares into swords and your pruning shears into lances. As for the weak one, let him say: "I am a powerful man." 11 Lend your aid and come, all you nations round about, and collect yourselves together?" To that place, O Jehovah, bring your powerful ones down. 12 "Let the nations be aroused and come up to the low plain of Jehoshaphat; for there I shall sit in order to judge all the nations round about. 13 "Thrust in a sickle, for harvest has grown ripe. Come, descend, for [the] winepress has become full. The press vats actually overflow; for their badness has become abundant. 14 Crowds, crowds are in the low plain of the decision, for the day of Jehovah is near in the low plain of the decision. 15 Sun and moon themselves will certainly become dark, and the very stars will actually withdraw their brightness. 16 And out of Zion Jehovah himself will roar, and out of Jerusalem he will give forth his voice. And heaven and earth certainly will rock; but Jehovah will be a refuge for his people, and a fortress for the sons of Israel. 17 And you people will have to know that I am Jehovah your God, residing in Zion my holy mountain. And Jerusalem must become a holy place; and as regards strangers, they will no more pass through her.

(Revelation 14:18-20) And still another angel emerged from the altar and he had authority over the fire. And he called out with a loud voice to the one that had the sharp sickle, saying: "Put your sharp sickle in and gather the clusters of the vine of the earth, because its grapes have become ripe." 19 And the angel thrust his sickle into the earth and gathered the vine of the earth, and he hurled it into the great winepress of the anger of God. 20 And the winepress was trodden outside the city, and blood came out of the winepress as high up as the bridles of the horses, for a distance of a thousand six hundred furlongs.

(Jeremiah 25:31-33) "A noise will certainly come clear to the farthest part of the earth, for there is a controversy that Jehovah has with the nations. He must personally put himself in judgment with all flesh. As regards the wicked ones, he must give them to the sword," is the utterance of Jehovah. 32 "This is what Jehovah of armies has said, "Look! A calamity is going forth from nation to nation, and a great tempest itself will be roused up from the remotest parts of the earth. 33 And those slain by Jehovah will certainly come to be in that day from one end of the earth clear to the other end of the earth. They will not be bewailed, neither will they be gathered up or be buried. As manure on the surface of the ground they will become."

(Acts 17:30-31) True, God has overlooked the times of such ignorance, yet now he is telling mankind that they should all everywhere repent. 31 Because he has set a day in which he purposes to judge the inhabited earth in righteousness by a man whom he has appointed, and he has furnished a guarantee to all men in that he has resurrected him from the dead."

(Daniel 7:26) And the Court itself proceeded to sit, and his own rulership they finally took away, in order to annihilate [him] and to destroy [him] totally.

(Daniel 8:25) And according to his insight he will also certainly cause deception to succeed in his hand. And in his heart he will put on great airs, and during a freedom from care he will bring many to ruin. And against the Prince of princes he will stand up, but it will be without hand that he will be broken.

(Daniel 11:45) And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; and he will have to come all the way to his end, and there will be no helper for him.

Satan Abyssed

(Revelation 20:1-3) And I saw an angel coming down out of heaven with the key of the abyss and a great chain in his hand. 2 And he seized the dragon, the original serpent, who is the Devil and Satan, and bound him for a thousand years. 3 And he hurled him into the abyss and shut [it] and sealed [it] over him, that he might not mislead the nations anymore until the thousand years were ended. After these things he must be let loose for a little while.

(Isaiah 24:21-23) And it must occur in that day that Jehovah will turn his attention upon the army of the height in the height, and upon the kings of the ground upon the ground. 22 And they will certainly be gathered with a gathering as of prisoners into the pit, and be shut up in the dungeon; and after an abundance of days they will be given attention. 23 And the full moon has become abashed, and the glowing [sun] has become ashamed, for Jehovah of armies has become king in Mount Zion and in Jerusalem and in front of his elderly men with glory.

Christ's 1000 Year Reign Begins

1. Once the 8th King is fully deposed and Satan and the demons are abyssed the 1000 year reign of Jesus Christ over the Messianic Kingdom universal sovereign agency will commence from God's appointment purpose.

Key Issue - UN Completion as World Government

1. The completion of an actual and globally stated 8th King rival sovereignty is required before Christ can depose such a competitive world rulership system. The Messianic Kingdom 144000 also requires a full sovereign completion. Thus both those world rulership entities must complete before the Armageddon divine war phase can actually take place and this final UN 8th King cycle of the near future must lead to that event over the same marked prophecies as the first cycle of 1914-1919.

Major Prophetic Milestones to Armageddon Divine War Finality

The Basic Message: As the United Nations centered world government completes over a final developmental cycle (Daniel 11:42-45) of a number of years so does the Messianic Kingdom complete all 144000 under King Jesus Christ and the final sovereign confrontation (Har-Magedon) for planet Earth's world rulership will occur.

1. Since these marked milestone meanings in spiritual and world events unfold from one to the other in sometimes merging, sometimes defined ways, over a final set of 8th King world government completing years as a final cycle of prophecy and world events co-developing, the confirmation effect of the whole final cycle gains credible traction as it progresses.

2. To those paying attention now and later and to those enlightened and understanding the import as the final recovered ministry progresses to completion, in time it becomes undeniable 8th King world government is what the final world cycle is to produce. And in that rival 8th King sovereign completion the divine trigger will be reached as milestones will mark the way over time to also Christ's final arrival upon a complete 8th King world government and it's "image" in globally stated sovereign power totality.

3. The final Babylon the Great judgment (Rev16:19; Rev18), 8th King deposition (Rev19:19-21) and world

judgment overall (Rev14:14-20) is all judgments rendered under a complete Messianic Kingdom and Temple full 144000 under final King-Priest Jesus Christ oversight as "King of kings" and "Lord of lords" of the complete divine Messianic Kingdom "Court" of Daniel 7:26 and Matthew 25:31.

4. Therefore the final cyclic progression to the grand finale now absent in the Jehovah's witnesses world Kingdom ministry will instead eventually be fully known over commencing unique signal developments and will provide a credible "map to Armageddon" that is also missing in the current Bethel foretold apostasy and "operation of error" now temporarily "set in opposition" to this final truth.

The official full Messianic Kingdom sovereign universal and world rulership begins.(Rev21-22); No rivals are present in the Daniel 12:12 period reception.

Summary:

1. The United Nation world government completion triggers Armageddon divine war phase as Christ's arrival for simultaneous Messianic Kingdom completion.
2. The JW temple judgment organizational desolation is the first world signal of the final phase starting.
3. The same elements of the first prophetic preview are present in the JW 1914-1918 era Messianic Kingdom birth announcement ministry over WW1 into the first UN League of Nations manifestation in 1919 as the primary pattern.
4. The final cycle will have a similar Messianic Kingdom *completion* announcement unfolding into to the final 8th King UN fourth placement as world government upon the same pattern as 1914-1918.
5. The current JW ministry is now purposely diverted by Bethel leadership and is the reason why a JW temple judgment will remove those obstacles over a timed temple judgment desolation and recovery period as per Daniel 8:13-14.

6. That temple judgment event to unfold over some years from a marked initial event or series of events will mark the commencement of the final cycle of prophecy and UN world government development over a final global tribulatory period to be resolved into final UN world government as Daniel 11:42-45 merges into Daniel 12 final fulfillment and Daniel 8:14 parallels the activation of Revelation 8-11 parallel Revelation 16 seven trumpets and seven plagues with meanings to be explained in the final recovered and cleansed Christian ministry from current JW leadership foretold subversions.

7. The entire final cycle is approximately timed as Daniel 12 final fulfillment underlying the Revelation applicable replication sequences as primarily Revelation 8-11 JW focused events and Revelation 16 world focused event.

Final Timed Kingdom Warning Connected to JW Past Validity and Initial Prophetic Pattern

1. Thus reconnecting the first two UN placement meaning now stranded in the modern JW ministry to it's last two UN placements is part of the purification (Zech3:1-5) and clarification (Mal3:1-5) objective of the final temple judgment. (Dan8:13-14; Rev8:1-6); It is also important to understand 8th King activity in a final phase is what connects Daniel 11:42-45 to a Daniel 12 final fulfillment in unique and live final world events.

2. Accordingly that Daniel 12 arrival of the 8th King also indicates the Kingdom preview cycle of 1914 must have an actual final fulfillment to complete all things including the truth prior to and in that final cycle activation.

3. In this way by divine wisdom the [final cycle is already explained](#) in the first Christian ministerial cycle of 1914-1918. It all merely [repeats in final form](#) with [verifiable world events](#) guaranteed in the prophecy. The final two UN placements of Daniel 11:30-45 completes the 8th King required information leading to world government and the final prophetic cycle meaning already contained in the first cycle. The timed temple judgment and it's world signal to JWs in time will be the unique indication of the final cycle beginning to activate in earnest.
