8th King World Government: Convergence of Global Sovereignty— Convergence of All Bible Prophecy Symbolisms

March 31, 2015 by templelijah

The 8th King World Government: Final Convergence of Global Sovereignty = Final Convergence of All Bible Prophecy Symbolisms

The Scarlet Wild Beast 8th King

1. The 8th King is the Scarlet Wildbeast world government totality to fully complete over the final cycle of prophecy and tribulation aided world development of the future. (Dan11:42-45; Matt24:29);

(Revelation 17:3) And he carried me away in [the power of the] spirit into a wilderness. And I caught sight of a woman sitting upon a scarlet-colored wild beast that was full of blasphemous names and that had seven heads and ten horns.

(Revelation 17:9-11) “Here is where the intelligence that has wisdom comes in: The seven heads mean seven mountains (nation-state world power systems), where the woman sits on top. 10 And there are seven (national) kings: five have fallen (Egypt, Assyria, Babylon, Medo-Persia, Greece), one is (Roman), the other has not yet arrived (Anglo-America), but when he does arrive he must remain a short while. (7th King deposed into 8th King world government) 11 And the wild beast that was but is not, it is also itself an (globalist; globalized) eighth [king] (the final world government power), but springs from the seven (based on the national progression), and it (the globalist conglomerate 8th King) goes off into destruction. (at Armageddon: the 8th King totality destroyed by God and Christ Kingdom power at “the war of the great day of God the Almighty”);

2. The 8th King is the “scarlet wildbeast” of prophecy representing the apex of global sovereignty as world government including but not limited to its United Nations “image” as the continuation of that UN conglomeration of all the national powers into this final “8th King” sovereign entity: complete world government in climax sovereign claims. (1Thess5:1-3)

A. The 8th King is the symbolic final world rulership of Earth.

B. The “Scarlet Wild Beast” is the complete embodiment of that global governmental worldwide meaning.

C. The *globalist* “scarlet wildbeast” of Revelation 17 is based on the same symbolic pattern of seven heads on a full body as the *national* seven headed wildbeast of Revelation 13:1 because national power is the basis of the final globalist world government, each wildbeast has a respective national (Rev13:1) and globalist (Rev17) meaning.

D. The “scarlet wildbeast” arrives last on the scene as depicted in the last King number eight in the 8th King identical symbolic meaning.

3. Thus it is a unique *globalist* sovereign “8th King” conglomeration of *all national powers* worldwide (Rev16:13-16), “springing from the seven” previous national based kings of the national rooted historically developed “wildbeast from the sea”. (Rev13:1; Rev17:8-18)

4. Being the last king in the progression, King number 8, it “arrives” fully on the global scene last as the final “King” of planet Earth: world government. The 7th King must be deposed in a sovereign authoritative national sovereign sense to 8th King world super-sovereign supranational global dominance of “power and authority”. (Dan11:42-43, Rev17:11-18, Rev16:13-16);

A. The “one hour” of Revelation 17:11-18’s final progression is under 8th King complete world government authority.

The United Nations Alone is not the Full 8th King World Government

1. The 8th King is world government totality *and* the preceding United Nations central international “image” picturing its development. The UN now represents the “image” of global “disgusting thing” idolatry and ultimate world government mission objectives that will be fulfilled fully in the actual “8th King” world government entity.

A. Thus the totality is not complete at this time of 2014 in the United Nations Organization alone. Much more is yet to come whose manifestation is aided by global tribulation to resolve into that final world government presentation. Thus prophecy and world government development projections guarantees that 8th King entity will complete into global scale world government as the final cycle plays out.

2. The “image of the wildbeast” is the United Nations international nucleus of this international completion center of world government. As the United Nations it is not the full world government in that UN forum alone, it is the “image” of the “scarlet wildbeast” full bodied global entity to come at the end of the final development cycle as full world government.

A. The United Nations, being the “blueprint” of world government in its charter, is but the 8th King *designate*, the “image” of world government.

Two Horned Wildbeast Anglo American Globalist Elites

1. The supporting “two horned wildbeast” Anglo-American globalist elite world government architects and independent guiding system “body” also have global supranational organizations and institutions beyond and supporting the UN that will actually define the supporting administrative powers of world government, beyond the scope and function of the UN alone, but supporting its ultimate purpose.

2. Thus the final true 8th King is a conglomeration of all these global “wildbeasts”, organizations and the national sovereignties into one sovereign totality: the 8th King. The 8th King totality will be the embodied authorities over the many “parts” of this final conglomeration of world power. It is the national sovereigns who “give their power and authority” to the globalized “scarlet wildbeast”, they “give their [nation based] kingdom” to world government final authority and that by national administrative subservience to globalist scale super-corporate and organizational final international scale administrative entities. (Rev17:11-18);

3. For some it is common knowledge in globalism studies that two tiers of world power are now in clear development: national and globalized.

The globalization of world power is also reflected in the sovereign convergence of all Bible prophetic sovereign symbology mirroring that final transformation into world government.

Sovereign Convergence and Final Conglomeration of Power

1. Logically if all the national sovereigns converge into one final world government authority: the “8th King”, then so does the symbolic prophetic forecast tracking all those national power developments for the last 4000 years also converge into one 8th King total global sovereign meaning.

2. All these Bible prophecy symbols of national sovereign development to globalized culmination converge into the 8th King “scarlet wildbeast” final global sovereign conglomeration:

A. Daniel 11, King North

B. Daniel 8, King Fierce in Countenance

C. Daniel 2, Immense Image

D. Revelation 13, Wildbeasts

E. Daniel 7, The whole base fourth wildbeast is absorbed into this same 8th King sovereign totality.

3. Daniel 11:45, Daniel 8:25 and Daniel 2:31-45 all converge to the Armageddon “place” of the global situation of the final 8th King “standing” worldwide in the final sovereign affront, in conglomerated form, against God’s Kingdom, specifically the soon to be completed Messianic Kingdom universal sovereignty of Jesus Christ. (All 144000 must complete after world government completes at the end of the final cycle.)

The 8th King must be a completed and stated global sovereign (1Thess5:1-3) in total global authority before Christ arrives.

4. All of those sovereign national developments that are symbolized in those prophetic depictions conglomerate, they all converge, globally and comprehensively into world government 8th King meaning. The 8th King is the sum total container of all global sovereignty of all the nations. Thus all those Bible symbols equate in ultimate form and completion, as whole total entities, to the 8th King.

A. King North = The 8th King

B. King Fierce in Countenance = The 8th King

C. Daniel 2 Immense Image = The 8th King

D. Revelation 13 Wildbeasts Combined = The 8th King

5. The “two horned wildbeast” as the “image” architects of world government totality becomes the globalist “seventh head”, not the “seventh king”, but the lead “head” system of the whole 8th King totality pictured in the whole “scarlet wildbeast” that they are part of. The whole totality of the whole thing and all of them, national and globalist, combine into the 8th King, King North, and King of Fierce Countenance identical world government meanings.

The National Wildbeast Precursor Development

The classic seven headed “wildbeast from the sea” is what the world government “scarlet wildbeast” is based on and absorbs globally in sovereign convergence in the globalization “gathering” of Revelation 16:13-16 and the sovereign transference of Revelation 17:11-18:

(Revelation 13:1) And I saw a wild beast ascending out of the sea, with ten horns and seven heads, and upon its horns ten diadems, but upon its heads blasphemous names.

The Two Horned Wildbeast

1. The “two horned wildbeast” is the globalist elite independent and secretive wildbeast. The globalist are the ones that architect the United Nations and all the elite finance, governmental and military organizations of the world that form true world government with the United Nations as its representative nucleus.

(Revelation 13:11-15) And I saw another wild beast ascending out of the earth (from an established political system), and it had two horns like a lamb (Anglo and American base of elite powers), but it began speaking as a dragon. (has Satanic roots; Rev12:1-3) 12 And it exercises all the authority of the (national) first wild beast in its sight. (progressively controls whole nations even before it fully dominates them) And it makes the earth and those who dwell in it worship the first wild beast, whose death-stroke got healed. (war, division and distraction supporting nationalism is worshiped in the trek to world government) 13 And it performs great signs, so that it should even make fire come down out of heaven to the earth in the sight of mankind. And it misleads those who dwell on the earth, because of the signs that were granted it to perform in the sight of the wild beast, while it tells those who dwell on the earth to make an image to the wild beast (the United Nations international nucleus of world government forming) that had the sword-stroke (world war) and yet revived. (recovery after world war; uses world war and its “healing” recovery to formulaically produce all four of the UN global presentations) 15 And there was granted it to give breath to the image of the wild beast (the globalist supporting networks give life to the world government development), so that the image of the wild beast should both speak and cause to be killed all those who would not in any way worship the image of the wild beast. (eventually coerces nations one way or another into world government);

Four World-War-to-World-Government Cycles

1. In four developmental cycles utilizing world war climax periods that UN “image”, born after WW1 in world development and prophecy as the League of Nations (1919), eventually becomes the full bodied “scarlet wildbeast” world government that includes the United Nations “image” but will surpass its global function and scale to include the globalist world institutions, organizations and administrations that complete actual world government totality.

2. We have seen three world war cycles, including the “Cold War” (Dan11:29), to resolve those world war periods in 1919, 1945 and 1990 for a United Nations related presentation towards the 4th cycle culmination of the future, in like manner, into world government, the intended full completion objective as the final 8th King total conglomerated rival against God and Christ’s indomitable Kingdom authority.

3. At the end of that fourth cycle coming up, over several last years of climax world developments to usher in world government, is when the Armageddon totality of sovereign rival defiance will be met, and God and Jesus Christ will respond in full to a finally complete and stated global sovereign contender.

The Fourth and Final Global World Government Cycle Coming Up

1. The final cycle of world government culmination is outlined in three key prophecies to go into climax action in the fourth cycle of the future.

2. This unique “King North” progression as the final 8th King cycle will culminate the sovereign conglomerated meanings of Revelation 17:11-18 and Revelation 16:13-16:

(Daniel 11:42-43) And he (8th King/King North) will keep thrusting out his hand against the (national) lands; and as regards the land of Egypt (collective national powers; King South “capital”), she (feminized King South) will not prove to be an escapee. (captured by “King North” globalist power intrigues of first a financial nature:) **43** And he (King North/8th King) will actually rule over the hidden treasures (globally) of the gold and the silver (the basis of sovereign wealth control, hence global sovereign dictation) and over all the desirable things of Egypt. (Thus 8th King/King North rules the world wealth, wealth system and all “desirable things” of collective global national “Egypt” “King South” powers in full globalist progressive ownership);

(Daniel 11:44) . . . “But there will be reports (Rev10-11 “little scroll” recovered ministry messages) that will disturb him (8th King going into world government totality), out of the sunrising and out of the north, and he will certainly go forth in a great rage (Dan8:25; Rev11:7) in order to annihilate and to devote many to destruction. (Dan8:25 “bring many to ruin during a freedom from care” parallel with 1Thess5:1-3 world “peace and security” period of 8th King world government placement (Dan12:11 final fulfillment));

(Daniel 11:45) And he will plant his palatial tents between [the] grand sea and the holy mountain of Decoration; (plural palatial “tents” as earthly symbolism of UN distributed world government in 4th UN placement; parallel Daniel 12:11 final fulfillment) and he will have to come all the way to his end (Armageddon denunciation of Dan11:36), and there will be no helper for him. (King North as 8th King deposed (Dan7:26; 8:25);

(Revelation 17:11-18) And the wild beast that was but is not, it is also itself an (globalist) eighth [king], but springs from the seven (national power progression), and it goes off into destruction. **12** “And the ten horns that you saw mean ten (national) kings, who have not yet received a kingdom, but they do receive authority as kings one hour with the (globalist) wild beast. **13** These have one thought (sovereign expansion and or preservation), and so they give their (national based) power and authority to the (globalist apex forming) wild beast. **14** These will battle with the Lamb, but, because he is Lord of lords and King of kings, the Lamb will conquer them. Also, those called and chosen and faithful with him [will do so].” **15** And he says to me: “The waters that you saw, where the harlot is sitting, mean peoples and crowds and nations and tongues. **16** And the ten horns (national powers) that you saw, and the wild beast (globalist power), these will hate the harlot and will make her devastated and naked, and will eat up her fleshy parts and will completely burn her with fire. (absorbing religious sovereignty and assets) **17** For God put [it] into their hearts to carry out his thought, even to carry out [their] one thought by giving their (national based) kingdom to the (globalist ascendant) wild beast, until the words of God will have been accomplished. **18** And the woman whom you saw means the great city that has a kingdom over the kings of the earth.” (the target religious sovereignty);

(Revelation 16:12-16) And the sixth one poured out his bowl upon the great river Euphrates (Parallels 6th trumpet), and its water was dried up, that the way might be prepared for the kings from the rising of the sun. (Babylon the Great being set-up for Revelation 17:15-17 parallel events by removal of human defenses (Rev17:15)) **13** And I saw three unclean inspired expressions [that looked] like frogs come out of the mouth of the dragon and out of the mouth of the wild beast and out of the mouth of the false prophet. (complete 8th King globalist influence culminating) **14** They are, in fact, expressions inspired by demons and perform signs, and they go forth to the kings of the entire inhabited earth (culminating in this final period), to gather them together to the war of the great day of God the Almighty. (parallels Revelation 17:12-18 and Daniel 11:42-43 culminations into globalist 8th King power) **15** “Look! I am coming as a thief. Happy is the one that stays awake and keeps his outer garments, that he may not walk naked and people look upon his shamefulness.” **16** And they gathered them (by Dan11:42-43 and Rev17:11-17 8th King wealth and power consolidations) together (into final 8th King globalist unification symbolized in completion by 4th UN “placement” and proclamations) to the place that is called in Hebrew Har–Magedon. (Joel 3:9-17);

The main importance and simplest truth is world government in complete form will trigger Christ’s arrival. Thus the developmental cycle to make world government more and more known and outspoken in intent, can help peoples’ awareness as to what that 8th King world government completion will mean.

Major global events and prophetic milestones will manifest prior to world government and thus prior to Christ’s arrival. The temple judgment of Jehovah’s witnesses begins the anointed Christian judgment meaning that starts the final cycle. And it is timed and phased for future verification at Daniel 8:13-14). That judgment of God’s house first (1Pet4:17), develops into a final clarified Kingdom explanation (Rev8-11) as the “second witness” of that final “two witnesses” global invitation and warning while the final cycle leading to 8th King world government has begun and is active to that culmination.

The main importance and simplest truth is 8th King world government in complete form will trigger Christ’s arrival—but a notable final cycle will lead to that climax so due warning can be given, and anyone willing can be saved in the process. (Revelation 14:1-16)
